TRACTION

SUPERIOR GRIP.  
ULTIMATE COMFORT.

Engineered for the high-paced environments of hotels, restaurants and catering, the new SR collection features the new GRIPPAZ<sup>®</sup> TRACTION outsole technology for exceptional slip-resistance as well as splash-resistant upper materials and enhanced cushioning elements for all-day comfort.

## GRIPPAZ<sup>®</sup> TRACTION OUTSOLE

Step confidently with GRIPPAZ<sup>®</sup> TRACTION outsole technology. Formulated from a specially slip-resistant rubber compound and enhanced with additional features\* like liquid-channeling cleat patterns and multidirectional 360° grip designs, it delivers excellent TRACTION every step of the way.

All shoes with GRIPPAZ<sup>®</sup> TRACTION significantly exceed the european EN 20347:2022 SR Standard.

\*Additional features vary depending on the model.
