FROM OUR PASTOR'S HEART

Dear Faith Family,

Can you believe that we are in December? This year has passed so quickly, and as we move toward the end of this year, we do so by celebrating the birth of our Lord Jesus Christ. What a way to end the year! What a way to spend every day, thinking on the greatest gift humanity has ever known!

As we march toward Christmas, I want to encourage you to spend some intentional time thinking on what it means that Jesus Christ, the Son of God, has come into the world. The Apostle Paul offered a profound line about what Christ has done for those who put their faith in Him. In Romans 5:1, he wrote, "Therefore, having been justified by faith, we have peace with God through our Lord Jesus Christ."

I don't know where you are in terms of your relationship with God, but Paul made it clear that faith in Jesus Christ is the only way to be made right with God. If you are a believer in Christ, He alone has paid your sin debt and wrapped you in His righteousness. You are made right because Jesus came into the world to live a life you and I could not live, die a death He did not deserve, and give you a salvation you could never earn. Think on that this Christmas season. Let that charge your spiritual batteries and inject some courage into your heart.

If you have never repented of your sin and trusted in Jesus Christ as your personal Lord and Savior, you are in what the Bible refers to as a spiritually lost, dead state before God. It is Jesus Christ alone who can give your life and bring you into the family of God. No matter what you try and no matter where you search, you will not have true peace until you surrender to Christ. New life and peace with God are possible for you because Jesus has come into the world and given His life as payment for your sins.

May this Christmas season be something different for you! I hope you will meet and surrender to the Christ of Christmas. I hope you will do more than enjoy this season. I hope you will come to know and enjoy your Savior, Jesus Christ. A personal relationship with Christ is the first ingredient to GROWING IN FAITH.

In Christ, *Pastor Lee*
