Introduction: Today, we turn our attention to the birth of our Lord Jesus Christ. I want to set our focus squarely on Jesus as our promised _____. Jesus is our _____ and our _____. In this message, we run the tape of humanity all the way back to the beginning to see what I believe is God’s _____ mention of a Savior who will come into the world.

1. A _____ was made. (vv. 1-6)

2. A _____ was unleashed. (vv. 7-19)

3. A _____ was promised. (15b)

Food for Thought:

- Do you see how you _____ from God’s will for your life?
- Are you living in that place of _____ from the God who made you?
