Need help installing your ASUS router?
We've got you covered!

Follow these steps to book your free installation:

1. WhatsApp our Customer Service at **+6016 333 1111**.
2. Select **'Fibre'** > **'Connectivity & Troubleshooting Support'**.
3. Follow the on-screen instructions.
4. Select **'Modem/Router Related'** > **'Router Issue'**.
5. Upload a photo of your ASUS router and provide your home address.
6. In the description, type: "**Asus ZenWiFi BT8 installation**".
7. Our agent will confirm your request.
8. Our **Fibre** team will contact you within **24–48 hours** to schedule an appointment with our technician.
