CELCOMDIGI COOKIE NOTICE

We collect information automatically using cookies and other similar technologies when you visit CelcomDigi website(s).

Selected third parties also set their own cookies on our websites. The use of these technologies by third parties are subjected to their own privacy policies and is not covered by this cookie notice, except for purposes listed below.

What are Cookies?

A cookie is a text file containing small amounts of information that a website can send to your browser, which may then be stored on your computer as an anonymous tag that identifies your computer but not you.

Our website uses the following type of cookies:

Type of cookie	Name of cookie	Who serves it	What it does
Necessary and functional cookies These cookies are necessary to make it possible to surf the website(s) and use the website's functions.	_cfuvid	Cloudflare	Cloudflare sets this cookie to track users across sessions to optimise user experience by maintaining session consistency and providing personalised services.
Analytics cookies These cookies gather information about the surfing behaviour of visitors to our websites.	_ga_* _ga	Google Analytics	Google Analytics calculates visitor, session and campaign data and also keeps track of site usage for the site's analytics report. The cookie stores information anonymously and assigns a randomly generated number to recognize unique visitors.
Advertisement cookies Our website displays advertisements to you, which may use cookies.	_gcl_au _tt_enable_cookie _ttp _fbp	Google Tag Manager TikTok Facebook	Cookies are set to store and track interactions (incl. behaviour and activities on the website), track and improve the performance of advertising campaigns, and personalise the user experience.

You can set your browser for a notification prior to you receiving a cookie, giving you the chance to decide whether to accept it or not. For most types of cookies, you have the right to tell us that you do not want to use them when you visit our websites. You can also set your browser to turn off the cookies; however, if you do this, some of our websites may not work properly.

If you want to know more about cookies, check out www.aboutcookies.org.
