

CelcomDigi Prepaid 5G Biru Plan

This CelcomDigi Prepaid 5G Biru Plan ("Plan") is a prepaid plan made available by CelcomDigi Mobile Sdn. Bhd. (formerly known as Celcom Mobile Sdn. Bhd.) [Company No. 197601002188 (27910-A)] ("Celcom") subject to the terms and conditions provided herein.

The full terms and conditions of the use of the selected products and/or services is subject to the [Celcom General Terms and Conditions](#) ("General Terms and Conditions"), CelcomDigi's Privacy Notice / Data Protection Statement and Data Protection Obligations found on CelcomDigi's website at [CelcomDigi Privacy Notice](#) all of which form an integral part of full terms and conditions of the products and/or services (collectively referred to as the "Terms and Conditions").

All terms and references used herein shall be the same as the General Terms and Conditions unless otherwise defined. You acknowledge that you have read and fully understood these Terms and Conditions. Your use of the products and/or services, upon activation, constitutes unconditional acceptance to be bound by these Terms and Conditions as may be amended from time to time by Celcom.

- Where application services are bundled with the Plan, Celcom reserves the sole and absolute right to cease, alter or suspend or substitute the application services bundled offerings at any time without prior notice. For the avoidance of doubt, such alteration, cancellation, termination or suspension by Celcom does not entitle the Customers to any claim or compensation against Celcom (in cash or in kind) for any and all loss or damage suffered or incurred by the Customers as a direct or indirect result of the act of alteration, cancellation, termination or suspension.
- Celcom shall not be responsible in any way in the event that the Customer's subscription of the Plan was activated by a third party without his/her consent. Celcom shall not refund nor compensate the Customer in any manner whatsoever in such situations.
- Celcom reserves the rights at its absolute discretion without liability to vary, delete or add to any of these Terms and Conditions, including but not limited to any feature for the Plans, from time to time without prior notice to the Customer as it deems fit. Continued use of this Plan and/or service following any changes to these Terms and Conditions constitutes an acceptance to those changes (if any). Customer accepts to be responsible for regularly reviewing information on the Plan at <https://www.celcomdigi.com>.
- Celcom reserves the right to make any alteration or changes to the Terms and Conditions or any part thereof or suspend the Subscription or any part thereof without prior notice and Celcom shall not be liable to the Customers for any loss or inconvenience resulting therefrom.

1. Eligibility

- 1.1. This plan is eligible for new Celcom Prepaid activation customers, Mobile Number Portability (MNP) customers or customers requesting for change rate plan from other Celcom Prepaid Plans.
- 1.2. To use any of the Prepaid Mobile Services, the Customer must be at least twelve (12) years old.
- 1.3. Customers are only allowed to register for the Service a maximum of five (5) Celcom Prepaid accounts.

2. Registration

To register for the CelcomDigi Prepaid 5G Biru Plan starter pack(s), Customers shall provide an original copy of their National Registration Identification Card (NRIC), passport, MyPR, MyKAS, iKAD or IMM13/IMMP to Celcom or Celcom's appointed dealer. The Customer's CelcomDigi Prepaid 5G Biru Plan account shall be deemed successfully registered upon receipt of a confirmation SMS from Celcom.

3. Plan Rates

- 3.1. The following rates shall apply to the CelcomDigi Prepaid 5G Biru Plans:

Type of Service	Condition	Rate (RM)
Voice Call	To all networks within Malaysia	30sen/min (60 sec/Block)
Video Call	To all networks within Malaysia	30sen/min (60 sec/Block)
SMS	To all networks within Malaysia	20sen/SMS
MMS	To all networks within Malaysia	50sen/SMS
Basic Internet (Data)	Only for active line	500MB/month (Speed at 64kbps)

- 3.2. Celcom shall deduct the value of Service used from the Customer's CelcomDigi Prepaid 5G Biru Plan at the rates stipulated above and/or as may be imposed by Celcom from time to time without prior notice.
- 3.3. The rates for [International Roaming](#) and [International Direct Dial \(IDD\)](#) are as published on CelcomDigi's official website.

4. Free Basic Internet

- 4.1. CelcomDigi Prepaid 5G Biru Plan comes with free basic Internet that is subject to the monthly Fair Usage Policy of 500MB with a speed up to 64kbps ("**Free Basic Internet**").
- 4.2. The Customer may continue to enjoy the Free Basic Internet as long as their account validity is still active. If the Customer's account validity is inactive, the Free Basic Internet shall be temporarily disconnected until the account is reactivated.
- 4.3. Any unused quota from the Free Basic Internet is not entitled to carry forward and shall be forfeited.
- 4.4. This Free Basic Internet shall be refreshed every first of the month.

5. Credit Expiry/Validity

- 5.1. The Customer's prepaid credit or airtime balance can only be used when their CelcomDigi Prepaid 5G Biru accounts are active. To keep the CelcomDigi Prepaid 5G Biru account active, the Customer is required to perform a credit reload or subscribe to a Monthly Pass or a One-Time Pass or purchase of an Extra Credit Validity. Any prepaid credit or balance in the CelcomDigi Prepaid 5G Biru account cannot be exchanged or redeemed for cash.
- 5.2. The preloaded airtime and validity period for each starter pack is as follows:

Starter Pack	SIM Type	Starter Pack RRP	Bundled Credits	Validity Period
CelcomDigi Prepaid 5G Biru (A04)	Preloaded MSISDN	RM10	RM6	5 days
CelcomDigi Prepaid 5G Biru (A05)	Preloaded MSISDN	RM5	RM0	5 days

- 5.3. Upon expiry of the validity period, the Customer shall have sixty (60) days to reactivate the account, failing which their mobile number or account shall be automatically terminated without any further notice.

6. Account Lifecycle

- 6.1. Subscription to a Monthly Pass, or subscription to a One-Time Pass, or purchase of an Extra Credit Validity or perform a credit reload for Prepaid services shall determine the number of active-days to make calls, SMS, and access to the internet ("**Active Period**").
- 6.2. After the end of the Active Period, Customers can only receive incoming calls and SMS until the next subscription up or sixty (60) days from the end of Active Period,

whichever is earlier (“**Credit Grace Period**”). During the Credit Grace Period, all or any balance from unutilised prepaid credit and/or unutilised mobile internet data shall be suspended from usage until the account is reactivated via credit reload, subscription of a Monthly Pass or One-Time Pass or purchase of an Extra Credit Validity.

- 6.3. Customers must perform a credit reload, subscribe to a Monthly Pass or One-Time Pass to resume full Service(s) of the Plan before the end of the Credit Grace Period. Failure to do so before the end of the Credit Grace Period shall result in termination of the Plan and any utilised prepaid credit shall be forfeited.

6.4.

Lifecycle Status	Description
Active Period (Follows Internet subscription validity)	<p>Prepaid account shall be activated when a CelcomDigi Prepaid subscriber:</p> <ul style="list-style-type: none"> • Performs a credit reload to prepaid account, thus extending its account validity or • Subscribe to any CelcomDigi Prepaid 5G Biru Monthly Plan or One-Time Pass. This is attributed to Always Active feature which streamlines both account validity and Internet validity upon Internet subscription • Purchase an Extra Credit Validity
Grace Period (60 days)	<p>CelcomDigi Prepaid account shall go into grace period upon expiry of account validity.</p> <p>The grace period serves as an interval for CelcomDigi Prepaid subscribers to perform a credit reload, purchase an Extra Validity Extension, subscribe to a new or renew Internet plan subscription upon expiry.</p> <p>During grace period, subscribers can continue to receive incoming voice calls and SMS, but cannot make any originating voice calls, send SMS or consume mobile data.</p> <p>To reactive a prepaid account in grace period, subscribers are</p>

	required to perform a credit reload of any amount or purchase an Extra Validity Extension.
Termination	CelcomDigi Prepaid account shall be terminated once the Grace Period is lapsed. Subsequently, the prepaid account number (MSISDN) shall be recycled upon termination of Prepaid account.

7. Change of Plan

7.1. Existing Celcom Prepaid customers of any prepaid plan can request for a change of plan from existing Celcom Prepaid rate plans to CelcomDigi Prepaid 5G Biru Plan via

7.1.1. UMB *118*1#

7.1.2. SMS 28882

7.1.3. In-store (via PULSE)

7.1.4. eStore

7.2. The Change of Plan process is free of charge.

7.3. Upon successful change to CelcomDigi Prepaid 5G Biru Plan:

7.3.1. Customers are not allowed to change back to their original plan.

7.3.2. Customers' original plan's account lifecycle active period shall be carried forward to CelcomDigi Prepaid 5G Biru.

7.3.3. Customers' Credit Balance or any outstanding Credit Advance shall be carried forward to CelcomDigi Prepaid 5G Biru.

7.3.4. The Grace Period shall be reset to 60 days.

7.3.5. Customers are only entitled to carry forward selected CelcomDigi Prepaid 5G Biru internet plans and other presubscribed remaining internet plan validity and quota balance shall be forfeited.

8. Reload and Validity Period

8.1. Customer's CelcomDigi Prepaid 5G Biru account validity shall be extended (days) upon every successful reload based on the following Reload Amount and Credit Validity Period table.

8.2.

Reload Amount	Reload Amount (After SST 6%)		Credit Validity Period
	Malaysian	Non-Malaysian	
RM5	RM5	RM4.72	5 days
RM10	RM10	RM9.43	10 days
RM30	RM30	RM28.30	30 days
RM50	RM50	RM47.17	50 days
RM100	RM100	RM94.34	100 days
RM200	RM200	RM188.68	200 days

Note: Minimum reload denomination is RM5 and maximum is RM200

- The Customer shall receive credit based on reload amount after Service Tax 6% (SST)
- Non-Malaysian shall be subjected to 6% SST

8.3. Each reload amount Credit Validity period (days) extension shall be effective from the date of Customer's successful of reload individually and shall not be accumulative.

8.4. No change of the Customer's existing validity period if the Credit Validity extension of the reload is shorter than the existing validity period or before Customer's CelcomDigi Prepaid 5G Biru account Grace period end date.

8.5. The Customer shall be notified via SMS on the new credit validity period upon successful reload.

8.6. Customers can only maintain up to RM1,000 credit balance in their CelcomDigi Prepaid 5G Biru account at any point of time.

9. Auto Reload via CelcomDigi app

- 9.1. Celcom may, at its discretion, allow the reload to be paid through a third-party credit or charge card ("**Auto Reload Service**") subject to this Terms and Conditions.
- 9.2. The Auto Reload Service shall be applicable to all Celcom Prepaid Customers who subscribe to the Auto Reload Service for credit reload purposes.
- 9.3. The Auto Reload Service shall take effect on the date of Customer's successful sign-up of the Auto Reload Service and shall continue to be in force until terminated in accordance with the Terms and Conditions.
- 9.4. Customers can subscribe for and unsubscribe from the Auto Reload Service via CelcomDigi app.
- 9.5. If the Customer registers for the Auto Reload Service, the Customer shall be responsible to inform Celcom immediately via CelcomDigi app or CelcomDigi Contact Centre if his/her device, credit or charge card is lost, stolen, expired or terminated or if they want to unsubscribe from the Auto Reload feature.
- 9.6. By registering for the Auto Reload Service, the Customer authorises Celcom to verify the information provided by the Customer with the credit card issuer or any third party as may be necessary, including but not limited to, forwarding other details to the card issuer, financial institution and other relevant parties for and in connection with the Auto Reload Service.
- 9.7. The credit cards or debit cards accepted by Celcom for the Auto Reload Service are Visa card or MasterCard issued by financial institutions/banks incorporated in Malaysia.
- 9.8. Customer may choose options for the reload amount and selection of date for the Auto Reload Service as below.

Preferred Date	Between the 1st and the 28th of the month
Reload Amount	<ul style="list-style-type: none">○ RM5○ RM10○ RM15○ RM20○ RM30○ RM50

	○ RM100
--	---------

10. Validity Extension

10.1. Validity Extension shall be applicable to all Celcom Prepaid customers who purchase of an Extra Credit Validity.

10.2.

Extra Credit Validity	Price	Validity
RM1 for 1 Day	RM1	1 day

11.4. Multiple Subscriptions

- 11.4.1. Monthly Pass: Customers are allowed to subscribe for more than one Monthly Pass. Both the existing and new Monthly Pass shall co-exist and have its respective expiry date based on the subscription date. However, only the new Monthly Pass shall be auto renewed, and the existing Monthly Pass shall be removed upon expiry. The internet quota consumption for the Monthly Passes shall be prioritised according to the Monthly Pass expiry date. Any unutilized internet quota shall be forfeited if the Monthly Internet Pass has been removed.
- 11.4.2. Quota Top Up: There is no limit on the number of Quota Top Up purchase. Both the existing and new Quota Top Up shall follow the expiry date of the Monthly Pass. Any unutilized quota shall be forfeited upon expiry of the Monthly Pass or Quota Top Up.
- 11.4.3. One-Time Pass: There is no limit on the number of One-Time Pass purchase. Both the existing and new One-Time Pass shall co-exist and have its respective expiry date based on the subscription date. The internet consumption for the One-Time Pass shall be prioritised according to the individual One-Time Pass expiry date. Any unutilised internet quota shall be forfeited upon expiry of the One-Time Pass.

12. Unlimited Pass Fair Usage Policy ("FUP") for Internet Quota

- 12.1. The Customer who subscribes to any of the CelcomDigi Prepaid 5G Biru Internet passes stated herein is subject to the Fair Usage Policy ("FUP") of the unlimited internet quota.
- 12.2. The FUP varies for each weekly and monthly pass, which is up to 20GB for weekly passes and up to 200GB for monthly passes.
- 12.3. Unless assigned with a hotspot-specific quota, hotspot usage is also subject to the FUP quota of the respective internet passes with unlimited internet.
- 12.4. The speed limit varies for each pass as stated herein under clause 11.2.
- 12.5. Upon full utilisation of the FUP, the speed shall be reduced to 512kbps until the Internet Pass expires.
- 12.6. Once the Customer has fully utilised the Additional Internet Quota purchased, the Customer's data usage shall be throttled to the speed of 64KBps.

13. Unlimited Calls to all Network

- 13.1. The Customer who subscribes to any of the Monthly Passes stated herein shall enjoy the Unlimited Calls subject to the validity period of the Monthly Passes under clause 11.2.
- 13.2. The Unlimited Calls apply to all networks and for domestic usages only (i.e. within Malaysian networks) excluding video calls, calls to toll-free numbers, or numbers with special charges (i.e. 1-300/1-800/600, 121, TM100, 1MOCC, IDD calls to Singapore & IDD/border calls to Brunei).
- 13.3. This Plan is for standard person-to-person calls or texts and not for any commercial and/or non-personal usage. Non-standard usage includes but not limited to non-multiple simultaneous calling, conference calling, re-supply, call centre usage, telemarketing, bulk messaging, application-to-person communication, continuously call forwarding, auto-dialling, machine-to-machine communication (including using your SIM card in any other devices), Cellular Trunking Units (CTUs), or any other activity Celcom considers to be non-standard usage. Excessive, commercial and/or non-personal usage may be subjected to pay-per-use call rates.

14. Fair Usage Policy

The Customer's use of the Service shall be subject to the terms and conditions of Celcom's Fair Usage Policy which is posted on [Celcom - All General Terms and Conditions](#). Celcom reserves the right to manage the Customer's allocated bandwidth including but not limited

to reducing/throttling the surf speed, interrupt, suspend, cancel, limit the right of access, or terminate the Customer's bandwidth to the internet service in accordance with Celcom's Fair Usage Policy.
