Table 1

- 3.2. CelcomDigi will deduct the value of Service used from the Customer's Plan at the rates stipulated above and/or as may be imposed by CelcomDigi from time to time without prior notice.

- 3.3. The rates for [International Roaming](#) and [International Direct Dial \(IDD\)](#) are as published on CelcomDigi's official website.

4. Free Basic Internet

- 4.1. The Plan comes with free basic Internet that is subject to the monthly Fair Usage Policy of 500MB with a speed up to 64kbps ("**Free Basic Internet**").
- 4.2. The Customer may continue to enjoy the Free Basic Internet as long as their account validity is still active. If the Customer's account validity is inactive, the Free Basic Internet will be temporarily disconnected until the account is reactivated.
- 4.3. Any unused quota from the Free Basic Internet is not entitled to carry forward and will be forfeited.
- 4.4. This Free Basic Internet will be refreshed every first of the month.

5. Credit Expiry/Validity

- 5.1. The Customer's prepaid credit or airtime balance can only be used when his/her Plan is active. To keep the Plan active, the Customer is required to perform a credit reload or subscribe to a Monthly Pass or a One-Time Pass or purchase of an Extra Credit Validity. Any prepaid credit or balance in the Plan cannot be exchanged or redeemed for cash.
- 5.2. The preloaded airtime and validity period for each starter pack is as follows:

Starter Pack	SIM Type	Starter Pack RRP	Bundled Credits	Validity Period
CelcomDigi Prepaid 5G Biru (A04)	Preloaded MSISDN	RM10	RM6	5 days
CelcomDigi Prepaid 5G Biru (A05)	Preloaded MSISDN	RM5	RM0	5 days

Table 2

- 5.3. Upon expiry of the validity period, the Customer will have sixty (60) days to reactivate the account, failing which their mobile number or account will be automatically terminated without any further notice.

6. Account Lifecycle

- 6.1. Subscription to a Monthly Pass, or subscription to a One-Time Pass, or purchase of an Extra Credit Validity or perform a credit reload for Prepaid services will determine the number of active days to make calls, SMS, and access to the internet ("**Active Period**").
- 6.2. After the end of the Active Period, Customers can only receive incoming calls and SMS until the next subscription up or sixty (60) days from the end of Active Period, whichever is earlier ("**Credit Grace Period**"). During the Credit Grace Period, all or any balance from unutilised prepaid credit and/or unutilised mobile internet data will be suspended from usage until the account is reactivated via credit reload, subscription of a Monthly Pass or One-Time Pass or purchase of an Extra Credit Validity.
- 6.3. Customers must perform a credit reload, subscribe to a Monthly Pass or One-Time Pass to resume full Service(s) of the Plan before the end of the Credit Grace Period. Failure to do so before the end of the Credit Grace Period will result in termination of the Plan and any unutilised prepaid credit will be forfeited.

Lifecycle Status	Description
Active Period (Follows Internet subscription validity)	Prepaid account will be activated when a CelcomDigi Prepaid Customer: • Performs a credit reload to prepaid account, thus extending its account validity; or • Subscribe to any CelcomDigi Prepaid 5G Biru Monthly Plan or One-Time Pass. This is attributed to Always Active feature which streamlines both account validity and Internet validity upon Internet subscription; • Purchase an Extra Credit Validity.
Grace Period (60 days)	CelcomDigi Prepaid account will go into grace period upon expiry of account validity. The grace period serves as an interval for CelcomDigi Prepaid Customers to perform a credit reload, purchase an Extra Validity Extension, subscribe to a new or renew Internet plan subscription upon expiry. During grace period, Customers can continue to receive incoming voice calls and SMS, but cannot make any originating voice calls, send SMS or consume mobile data. To reactivate a prepaid account in grace period, Customers are required to perform a credit reload of any amount or purchase an Extra Validity Extension.

Lifecycle Status	Description
Termination	CelcomDigi Prepaid account will be terminated once the Grace Period is lapsed. Subsequently, the prepaid account number (MSISDN) will be recycled upon termination of Prepaid account.
