# NOVENA PRAYER

SEPTEMBER 20<sup>TH</sup> – 28<sup>TH</sup>

Great Saint Michael, Prince of the Heavenly Host,  
your name is a question filled with awe: *"Who is like God?"*

Your vocation is to reveal His power and His wisdom,  
and so your name teaches us that nothing can compare with  
His might and goodness.

What is there that we cannot hope to receive from God's hand  
through your intercession and care?

We entrust to you the intentions we bring in this novena:  
for Holy Church in Her trials; for our homelands so much in  
need of healing and grace; for our families who are shielded  
by the angels who guard us on our way to heaven;  
for the sick; for sinners; for the dying;  
for our dear, departed loved ones; and for protection  
from all the forces of evil who oppose these intentions.

We expect great things and abundant blessings as we invoke you.  
Christ the Lord is your King and ours; we are safe under your  
shield and with your fiery sword of burning love for Him.

We thank you in advance for the gifts to be obtained in this  
novena and promise in our gratitude to make your name  
and devotion known as much as we are able.

Blessed be God, glorious in His fair hosts of angels led by you,  
Michael, the leader of the bodiless powers of heaven!

**Amen.**
