## Introduction to Ochre

Set within the impressive 20th Century William Wilkins building at London's iconic National Gallery, Ochre is a unique, versatile space with a timeless aesthetic. Ochre showcases the very best seasonal British ingredients, blending international flavours with modern European cooking.

Ochre retains many of the building's original features from the classical architecture, including high ceilings and large windows which creates a light and airy atmosphere. The restaurant includes a lively cocktail bar and lounge, an intimate private dining room with views of Nelson's Column, and a DJ booth for late-night events, so whether it's hosting an intimate dinner or a large birthday party, we are here to cater for all your needs.
