

Health Policy

To ensure the health of the other children and servant leaders we ask that any sick child or servant leader not attend any church function. They must be symptom free, without fever-reducing medication, for at least 24 hours before returning. It is recommended that a sick person does not attend church when any of the following symptoms are present:

- A fever of 100.4 degrees or higher
- Diarrhea or vomiting— no matter what the cause (i.e. medication, teething, etc.)
- Common cold (from onset through one week)
- Any symptom of childhood diseases such as Scarlet Fever, German Measles, Mumps, Chicken Pox, or Whooping Cough
- Sore throat, constant cough, or croup
- Colored mucus (runny nose that is not clear; in the eyes)
- Any unexplained rash
- Any skin infection: boils, ringworm, impetigo, or any open sores that leak fluid or blood
- Pinkeye, redness of the eyes. or any other eye infection
- Any communicable disease
- Lice-including presence of eggs or nits

When it is known that children have been exposed to an illness that is easily transferable, parents and servant leaders in the exposure area will be advised.

Thank you so much!
