INSURANCE BROKING & FINANCIAL SERVICES

We will negotiate with insurers on Your behalf and will keep You informed of any significant developments.

We are independent of insurers, and are not bound to use any particular insurer. We will advise You of those with whom We propose placing Your insurance and will also advise You of any change of insurers after the insurance has been placed. Unless You advise Us to the contrary, each insurer with whom We place Your insurance will be deemed acceptable to You.

We may enter into an agreement with an insurer to arrange insurance and settle claims on its behalf. We will inform You when We act for an insurer and not for You.

You understand that We will use all reasonable precautions in choosing an insurance company(ies) and will advise You of their Financial Strength Rating where required under the Insurance (Prudential Supervision) Act 2010. You understand that We cannot guarantee the financial status of any company and We do not accept any liability due to the failure of any insurance company.

As soon as practicable after placing insurance on Your behalf, We will provide You with evidence of that placement. We will do Our best to ensure that policies and endorsements are issued by Your insurers promptly, and will pass each correctly completed and signed document on to You within 30 days of receiving it.

Before passing insurers documents on to You, We will check them to ensure that they meet requirements and conform with the negotiated terms and scope of cover.

We take no responsibility for the adequacy or accuracy of policies arranged for You by any other broker or direct insurer. If required by You, We will review these policies and will advise You of the outcome and make such recommendations, as We consider necessary.

We will draw Your attention to Our statutory or regulatory obligations applicable to any insurance that We arrange for You on Your local and overseas (if any) assets and operations. Once premiums and related statutory charges have been paid to Us, We will arrange for their timely disbursement to insurers and the appropriate authorities.

We will hold review meetings with You as and when required. At those meetings We will report on matters relating to the insurance programme and will gather information regarding any changes in your business that could affect your insurance. Please see appendix 3 for a complete product list of available covers and advise us if you would like to discuss any of these further.

We will automatically renew all policies arranged for You by Us on Your behalf unless You advise Us not to.

Please refer to Appendix 4 for Claims Procedures

REFERRAL TO PREMIUM FUNDING PROVIDER

Bridges Financial Services Ltd provides our premium-funding services enabling clients to pay premiums on an instalment basis.

OTHER RISK CONSULTANCY SERVICES

The scope, objectives and procedures for any loss control or other consultancy services will be agreed with You prior to their commencement.

Conflict of Interest Statement – IUNZ Ltd

At Bridges Insurance, our primary commitment is to act in the best interest of our clients when placing insurance business. We wish to inform you that IUNZ, an underwriter with whom we may place your insurance, is owned by Howden Broking. While this relationship exists, please be assured that any placement of business with IUNZ will be done with full consideration of your specific needs and the nature of the risk. We carefully assess all available options to ensure that the terms, coverage, and pricing offered are in your best interest.

YOUR CO-OPERATION

To perform Our service efficiently, We need and rely upon Your co-operation, particularly the timely provision of information. We will rely on You to advise Us of any change in Your business that might affect Your insurance programme. This may include acquisitions, disposals, mergers, sale of principal assets, or material changes to business operations.

While We will assist You with the completion of proposals and other forms of application for insurance, We cannot accept responsibility for the accuracy of their contents, nor can We sign the insurance proposals on Your behalf.

After receiving Your insurance documents from Us, You should check them and advise Us promptly of any discrepancies or anything that does not meet Your expectations.

While We may prepare underwriting information on Your behalf, the legal obligation to disclose all material facts rests with You. You must tell the insurer, before each policy starts and renews, about anything a prudent insurer would want to take into account in deciding whether to insure You, and if so, on what terms. Please provide this information to Us. If You do not provide Us with full information, We cannot properly advise You and You could breach Your Duty of Disclosure.

Should a circumstance or event occur which could result in making an insurance claim, You should advise Us of the details as soon as possible. Failure to advise such actual or potential claims may prejudice Your rights under an insurance policy.

Please refer to Appendix 1 for full Disclosure requirements.

REMUNERATION

In normal circumstances, We will be remunerated by the insurer when You enter into an insurance contract thatB We arrange (this includes renewals and variations). The remuneration we receive is a percentage of theB company premium & company natural disaster premium. All other levies, Government charges and taxes areB collected without remuneration being taken.

To enable us to provide you with a high level of service We may also apply an Administration Charge which will be shown on your invoice. In cases where we do not earn remuneration from the insurer, our Administration Charge will reflect an amount equivalent to the remuneration that we would normally have received.

Furthermore, it is imperative to clarify that at the time advice is provided, whether in the form of a policy renewal, a recommendation for coverage adjustments, or a quotation for new insurance, our agency may receive a commission from the relevant insurance company or companies associated with the suggested coverage. This commission will only apply if you choose to secure insurance based on our advice. The exact amount of this commission will be fully disclosed in the accompanying renewal, recommendation, or quote, clearly denoted as a monetary figure. This transparency is central to our commitment to providing you with comprehensive and honest information about the financial aspects of your insurance coverage. Please refer Appendix 6 for the full commission table.

Our remuneration may include investment income earned from premium payments before they are forwarded to the insurer. This is permitted by the Insurance Intermediaries Act 1994.

If We arrange a loan for You to pay the premium, We may earn remuneration or dividends for doing so.

We sometimes pay a referral fee to a party who has referred You to Us. We pay this fee out of the remuneration received from insurers.

We may also receive a Broker Service Commission from the insurer for services or benefits We provide to them in connection with the policies We arrange for You and other clients.

PAYMENT OF PREMIUMS / CANCELLATION

The premium and any additional charges should be paid to Us in full. We do not provide any credit and the full amount is due to Us immediately upon receipt of Our invoice. We are required to pay Your insurer within a specific timeframe. If We are unable to do so because We have not received the premium from You, We are required by the Insurance Intermediaries Act 1994 to advise the insurer of this in writing within 7 days. The Insurer may then issue notice of cancellation of the policy in accordance with the policy terms because of the non-payment. Although the timeframe varies from policy to policy, the insurer usually allows 30 days for the premium to be paid before the policy comes to an end.

If an insurance policy is cancelled before expiry by You, We will pay to You any premium refunded by the insurer, less any outstanding remuneration and/or charge You owe Us.

PRIVACY STATEMENT

As your insurance broker, we are committed to protecting your privacy. We use information you provide to advise you about and arrange your insurance requirements. We only provide your information to the companies with whom we choose to deal with and their representatives. We do not trade, rent or sell your information. If you don't provide us with full information, we cannot properly advise you and you could breach your duty of disclosure. You can check the information we hold about you at any time. Please contact your broker or see our website for more information about our Privacy Policy www.bridges.co.nz

GENERAL

You may however, want to enter into a separate claim servicing agreement with Us. Under such an agreement, We will continue to provide service for nominated claims that arose before Our appointment was cancelled.

Upon notice of cancellation of Our appointment We will:

- Immediately withdraw from all negotiations in progress at that time, including but not limited to renewal negotiations for any insurance falling due within the period of notice;

APPENDIX 1:

YOUR DUTY OF DISCLOSURE

When you enter into a contract of insurance you have a legal duty to disclose to the insurer all facts that are material to the risk. This would include all information you know or could reasonably be expected to know that would influence the judgment of a prudent insurer in accepting or declining an insurance risk or in fixing the premium or terms or conditions of the contract. This duty of disclosure arises not only when you enter into a contract of insurance but also when you renew, extend, vary or reinstate a contract of insurance.

Examples of information that would need to be disclosed include:

- Any change in circumstance which could increase the risk of an insurance claim; Any Bankruptcy, involuntary liquidation, civil proceeding;
- Any criminal or traffic offence or conviction;
- Any cancellation, refusal to renew insurance, or imposition of special terms by another insurer;
- Any insurance claim you have made in the past.

Failure to comply with your duty of disclosure may entitle an insurer to void any contract entered into from inception and could lead to claims not being met. If you are uncertain about whether or not a particular matter should be disclosed to an insurer please contact your broker.

FAIR INSURANCE CODE

The Fair Insurance Code is a code of practice that sets minimum service standards for insurance companies and describes the responsibilities that you and your insurance company have to each other. Your insurer, when a member of the Insurance Council of New Zealand, is committed to complying with the Fair Insurance Code. A full copy of the Code is available at www.icnz.co.nz.

'A' IFS Ratings denote a low expectation of ceased or interrupted payments. They indicate strong capacity to meet policyholder and contract obligations. This capacity may, nonetheless, be more vulnerable to changes in circumstances or in economic conditions than is the case for higher ratings.

BBB: Good

'BBB' IFS Ratings indicate that there is currently a low expectation of ceased or interrupted payments. The capacity to meet policyholder and contract obligations on a timely basis is considered adequate, but adverse changes in circumstances and economic conditions are more likely to impact this capacity.

BB: Moderately weak

'BB' IFS Ratings indicate that there is an elevated vulnerability to ceased or interrupted payments, particularly as the result of adverse economic or market changes over time. However, business or financial alternatives may be available to allow for policyholder and contract obligations to be met in a timely manner

Appendix 6:

Bridges Insurance Services Commission Bands

Bridges Insurance Services receives commission when you (the client) accept our Financial Advice and purchase an Insurance Policy. The commission is paid by the Product Provider's for each insurance policy that you (the client) purchase.

The commission is only paid on the portion of the premium that the insurance company receives – called 'the company premium'.

The company premium consists of the total premium less government levies and taxes. The commission paid to **Bridges Insurance Services** by the insurance companies is displayed on the next page. This information has been provided across both Commercial and Domestic product lines with bands representing the different percentages for the main product lines.

If you would like the specific percentage for your policy, please talk to your broker.
