RB Holiday Camps

Thank you for choosing RB Holiday Camps as your childcare provider this school holiday.

Our mission at RB Holiday Camps is to ensure that your child's experience is fun and memorable. We have put together the following information to make your experience as enjoyable as theirs.

Who are RB Holiday Camps?

RB Holiday Camps are part of the RB Education Group, providers of first-class physical activity programmes throughout the Blackcountry. Established in 2008, RB Holiday Camps are recognised as a leading provider of Ofsted registered school holiday childcare in the Blackcountry. With the aim to provide high-quality sport and activity focused childcare, RB Holiday Camps is an affordable, flexible and safe solution.

Collecting your child early

If you need to pick your child up before 3.30pm, please ensure that the coordinator is made aware of this at registration as to comply with the Ofsted regulations our gates/doors remain locked until 3.30pm.

What happens at registration?

The registration area is signposted at each RB Holiday Camps venue (you can also see the detailed venue information at the end of this guide). We ask you to register at least 10 minutes prior to the pre-booked start time.

Our camp coordinator will be at the sign-in desk to ensure your child is signed in and to answer any questions you may have. Please bring your booking confirmation with you when signing in your child.

The coordinator will point you towards the phone number to contact the camp directly should you need to at any point during the day. If another adult will be collecting your child please inform the coordinator and ensure the adult collecting your child knows the collection password. If you have not set a collection password on booking, you can do this on sign in with the camp co-ordinator. If you need to collect before the expected sign out time, please let the coordinator know. Once your child is signed in, a member of the team will show you where to leave any bags and coats.

What should my child bring?

As your child will be active and running around for most of the day, they will need to bring the following:

- A refillable bottle – water is available at all our sites
- A packed lunch – please avoid sending your child to camp with nuts or any items that could contain nuts (please note we cannot refrigerate any food items)
- Healthy snacks – as well as lunchtime, your child will have two breaks throughout the day to have a snack
- Sun cream – to help avoid sunburn in the summer months we ask you to provide your child with sun cream and ensure they know how to apply it
- Clothing – we advise that you send your child with an additional set of clothing, just in case!

What happens if my child has an accident?

All our RB Holiday Camps team members are trained first aiders, so you can rest assured that your child is in safe hands should an accident occur. We will deal with any minor accidents on site. The accident will be recounted in an accident report form which we will show you on collection of your child that will need you to check and sign.

Are RB Holiday Camps Ofsted registered?

All our venues are registered with Ofsted and the RB Holiday Camps team endeavour to keep our high standards. The Ofsted registration number for your chosen venue is provided below in the venue specific information.

What NOT to bring?

Please avoid bringing any nuts or items containing nuts

- Mobile phones, tablets and all other electronic items - we will be too busy to need them!
- Sports equipment - we will provide this
- Any valuables, such as watches or jewellery

All RB Holiday Camps camps are nut allergy aware. Please avoid sending your child to camp with nuts or any items that could contain nuts. Thank you for helping us keep children safe!

What happens if my child has a medical condition?

We want to make sure we give you and your child the best and safest experience possible while at an RB Holiday Camps Camp. To make this happen, we need to be aware of any pre-existing medical conditions and any additional information when you make the booking.

If your child requires medication during their day at camp, please bring this to the attention of the camp coordinator upon arrival as you are required to complete a short Adminstrating Medication Form.

All information regarding your child's medical needs will be treated in the strictest confidence.

What should my child wear?

As we will be running around and taking part in physical activity, we suggest they wear loose, comfortable clothing and correct footwear that is appropriate to the weather and the activity they are taking part in.

What if my child's behaviour is inappropriate?

At RB Holiday Camps, we encourage and reward positive behaviour and deal with inappropriate behaviour firmly and fairly. We always have the RB Holiday Camps 'Code of Behaviour' on display, and staff will explain to the children what is expected of them throughout the day regarding their behaviour.

Any behavioural problems will be dealt with as they arise, but in serious or persistent cases you will be contacted. If your child has any additional requirements or needs, please do let us know as we want every child to have the best possible time with us. All disclosures will be dealt with the strictest confidence.

Do you accept childcare vouchers?

Yes, we do! As an Ofsted registered provider, we can offer this excellent benefit. To book using childcare vouchers just follow our simple online booking process and select the 'pay by childcare voucher/choices' option at the payment page. If you need any assistance, call our office and a member of our team will be able to help you.

What happens if I'm late picking up my child?

We understand that sometimes you maybe running a little late, don't panic. Just contact the RB Holiday Camps coordinator on the number provided on the contact card and let them know. If you are unable to contact them on the mobile, please call the office on 0121 695 1394 and we will be able to help.

Please note that unfortunately due to staffing, a small charge will be incurred for delays of more than 15 minutes after the pre-booked collection time. For more information on this, see our Terms and Conditions.
