

## Certificate

We certify on the basis of knowledge and information given by our suppliers that the continuous glass filament technical fabrics and mats and polyester scrim, which are a subject of production range in the manufacturing sites within Saint-Gobain ADFORS Europe and America, do not contain, in concentration above 0.1% in weight, any substances on the SVHC list (substances of very high concern) published by the ECHA on October 28th, 2008 up-dated on June 25, 2025.

A handwritten signature in red ink that reads "A. Puech".

Agnès Puech  
EHS Coordinator ADFORS Saint-Gobain
