

## Session 3: The Home Where Jesus Is

**Overview:** This week we leaned back into our talk Home Team, where Pastor Dave focused on “The Home Where Jesus Is.” As followers of Jesus, our homes should look different from the world’s standards. Change begins within our own homes, so church becomes an extension of our home, not an escape from it. A home where Jesus is present is one where He is worshipped, celebrated, and talked about. It’s marked by surrendered pride, brokenness being healed and being quick to forgive, both inside and outside the home. When we center our homes on Jesus and prioritize time with Him, we get more of Him and forgiveness then begins to speak louder than brokenness.

### Key Scripture:

- **Deuteronomy 6:5-7**
- **John 14:20-21**
- **Luke 9:23**
- **Matthew 18:21-22**
- **2 Timothy 4:16-17**
- **Matthew 7:3-5**
- **Psalm 51:17**

### Discussion Questions:

1. What are some ways we can have our home centered on Jesus rather than a home that looks like the world’s standards?
2. What are some daily rhythms you could implement to help prioritize intentional time with Jesus in your home?
3. What is one specific change you could make this week to help cultivate a home of forgiveness, and where Jesus is worshipped, celebrated and talked about in your home?

### ACTION STEP: Participate in One Day To Feed The World

Pastor Dave spoke to how if we don't disciple our kids in giving, the world will disciple them in consumerism. Northview has partnered with Convoy of Hope again this year and at the end of this month February 22nd we are calling every household to give one day of income to feed people, mostly children who do not have any food to eat. Building homes of great faith can start with turning homes of greed into homes of soft generous hearts. We are calling our Life groups to help lead our church in this act of generosity.
