

Building Resilient Economies in Coal Communities (BRECC) Economic Diversification Toolkit

NACo's BRECC Toolkit provides coal and other rural communities with a roadmap towards strengthening local economies. The toolkit highlights successful strategies and projects developed by coal-impacted localities participating in NACo's BRECC initiative. Grounded in these experiences, the toolkit can also support all counties across the country to prepare for and recover from economic shocks, supply chain disruption or natural disaster.

Key diversification strategies include:

All-of-the-Above
Energy Approach

Downtown Revitalization
and Small Business Support

Expanded
Housing Supply

Outdoor Recreation
and Tourism

Remote Worker
Attraction

Repurposing
Former Mine Lands

Strategic Infrastructure
Investment

Workforce Development
and Training
