

April 2026

To whom it may concern:

The Spinning Grill with 20 Skewers cooking appliance is protected as follows

Two nozzles will be installed in front of each row of Skewers, and in line with the top of the cooking device and will be directed towards the drip pan area where the fat dripping from the meat accumulates.

Two nozzles of 93482 will be used to protect the Spinning Grill with 20 Skewers cooking appliance.
