

## **Title I After-School Academic Program 2025-2026**

Southgate Academy will be offering an after-school program to all K-12 students enrolled for the 2025-26 school year that are struggling in reading and math.

The intent of Title I is for all children to become proficient in the State's academic achievement standards and to provide supplemental support for those students that are struggling to meet the State's standards. After-school programming can be an important component of helping students academically and closing the achievement gaps in school. In a Schoolwide Title I school, an after-school program may be offered for all enrolled students.

Program Days: Monday – Thursday 2:30 pm – 3:30 pm

Academic Focus: The primary focus of this program is for students who need additional assistance in any subject area, particularly in reading and/or mathematics. The program is open to all students at Southgate Academy. After-school teachers and paraprofessionals assist students with homework, work on academic projects to close learning gaps, provide interventions and introduce new and upcoming academic topics to intrigue students and create additional background knowledge.

### **\*\*Important\*\***

Students **must be picked up at 3:30 pm**. Please be considerate by picking up your child on time.
