# WITH HEARTFELT THANKS FROM OUR PARENTS

"From a dependent, introverted child to a confident young man with independent thinking, three years of growth were made possible by a supportive school environment and dedicated teachers."

From Xavier's parents

"In just two years, Billie grew remarkably, advancing in language, academics, and sports, earning a 6.5 in IELTS, winning provincial table tennis titles, and finding her path in economics, all thanks to the school's strong support and guidance."

From Billie's parents

"Thanks to the school's dedicated support and the teachers' tireless efforts, Caroline received six offers and was admitted to her dream university. We are especially grateful for the thoughtful guidance and the heartfelt care from the entire team. Your warmth and professionalism made all the difference during this important time."

From Caroline's parents

"We are proud of the dedication shown throughout the college application process and grateful for the achievements earned. Looking ahead, we hope this spirit of perseverance and growth continues into university life."
