

Nova Scotia eReferral enhancements

June 5, 2025

What we heard	How we responded
<p>Portal users reported that additional and incorrect fields were being carried over from previous referrals when launching from 'Patients' page for non-integrated Ocean sites.'</p>	<p>This has been resolved. When a new referral is launched from the 'Patients' page for non-integrated Ocean sites, only patient demographics will be carried over – other fields such as priority and protocol will no longer be pre-populated.</p>

Referrals continues to evolve, with dozens of enhancements shaped by Nova Scotia users and delivered in partnership with vendors. View the [full list of Ocean enhancements here.](#)
