

# Nova Scotia eReferral enhancements

What we heard	How we responded
Users reported that the date of birth format was confusing.	The formatting of the DOB column on the eReferrals & eConsults page in the portal has been updated to YYYY-MMM-DD (e.g. 2003-JAN-02), where the month is represented by a three-letter uppercase abbreviation, to improve clarity of patients' dates of birth.
The eReferral filter in the Healthmap included non-eReferral listing results.	This issue has been resolved and now only eReferral listings will show.  <b>Related support articles:</b> <a href="#">Select an eReferral Recipient</a>
