

# Nova Scotia eReferral enhancements

October 17, 2024

<b>What we heard</b>	<b>How we responded</b>
On the eReferrals and eConsult page, the “Referring clinician with name containing” search field does not return results when filtering for Received referrals.	This issue has been resolved. Results for received referrals will now show with this search option.

*Referrals continues to evolve, with dozens of enhancements shaped by Nova Scotia users and delivered in partnership with vendors. View the [full list of Ocean enhancements here](#).*
