## VERSE 1

1                    1/3  
There from the start  
                    4       1/3  
Seated in heaven  
                    6m                    5  
The whole world in Your hands  
1                    1/3  
The sins of the world  
                    4       1/3  
Too great a burden  
                    6m                    5  
You came down as the Lamb

## CHORUS

                    1                    1/3  
Holy and a - noointed Jesus  
    4       1/3  
The image of the one true God  
6m                    5  
Come and e - xalt Him  
                    1       1/3  
Risen now in glory Jesus  
                    4       1/3  
Forever seated on the throne  
6m                    5  
Come and e - xalt Him

## VERSE 2

1                    1/3  
The suffering Savior  
                    4       1/3  
Broken and bleeding  
6m                    5  
Hung on a cross  
1                    1/3  
Now death is de - feated  
                    4       1/3  
See now He's risen  
                    6m                    5 (To Ch.)  
Let all erupt in song

## INSTRUMENTAL 1

## BRIDGE 1

1/3                    4  
You reached down from heaven's throne  
                    1/3       5  
You recon - ciled our sins atoned  
    6m                    5                    1/3  
The wayward souls were lost but now they're coming  
4  
home  
1/3                    4  
All sin and death exchanged for life  
                    1/3       5  
I'm resur - rected now with Christ  
(1.)       6m                    5       1/3       4 (To Br. 2A)  
                    Glory to the Son for - ever lifted high  
(2.)       6m                    5       1/3       4 (To Br. 2B)  
                    Glory to the Son for - ever lifted high

## BRIDGE 2A

1/3                    4  
So I will live with this one cause  
                    1/3       5  
To worship You for who You are  
    6m                    5                    1/3       4  
And praise the One who was and is and is to come  
1/3                    4  
Let these gates fling open wide  
1/3                    5  
Pull down heaven rend these skies  
                    6m                    5                    1/3                    4  
Here we'll wait for you to come and claim Your bride
