

CALL ON JESUS

Common Gathering

VERSE 1

Hear the sound of revival
Hear the song of the saints
There is joy in His presence
Fill the streets with unending praise

VERSE 2

Are you broken and weary?
Is a taste of the world enough?
There is room at the table
There's a feast for the ones who'd come

PRE-CHORUS 1

Open up your heart and see the sun is rising
Prodigals return to sing Your praise

CHORUS

Call on Jesus, join the song of heaven
Darkness trembles as the church awakens
Hallelujah Lord we love to sing Your praise

VERSE 3

Bring the weight of your sorrow
And every tear that you've sown
He is good on His promise
We will live in the overflow

VERSE 4

Let the river of mercy
Wash away all the pain
Yesterday's just a whisper
In the light of a brand new day

CALL ON JESUS

Open up your heart and see the chains are breaking
Resurrection power is in His Name

Living Water rushing Wind
Holy Spirit breathe within
Lift up your heads, open the gates
The King of Glory is coming in
