Common Gathering

VERSE 1

I can feel Your holy wind blow
Reach the quiet depths of my soul
I can feel Your life in my bones
A song of praise to lift Your name
Forevermore

VERSE 2

I can feel the oil of mercy
Running from my head to my feet
A new day a new anointing
Make a way for the King
He is here

CHORUS 1

Glory to our God Almighty
Lord we bless Your Name
Joy is coming in the morning
We will sing Your praise

VERSE 3

I can feel the strongholds breaking
When we lift the name of our King
Here He comes to save and set free
We declare freedom here in Jesus name

CHORUS 2

Glory to our God Almighty
Lord we bless Your name
In the mountains or the valleys
You deserve the praise
Glory to our God Almighty
Worthy is Your name
In the few or in the plenty
We will sing Your praise
