

YOU SAY

Common Gathering

VERSE 1

I've heard it said about my life
Love's just a hope I'll never find
That I'm not enough
I don't measure up
My story is finished it's all said and done
Lord is it true I'm too far gone?

PRE-CHORUS 1

But I hear Your voice like a whisper
Open my ears and I listen

CHORUS

You say that You are the only one
You say You never let me go
You say You never leave so I'm running to You
And I'm trusting in every word
You say that I am a chosen one
You say that I am alive in You
You say that I'm made for more and nothing can take away
All that I know that You say

VERSE 2

I thought I knew what's best for me
Clearly You knew my deepest need
You showed up for me
When I didn't think
That I could be worthy saved and redeemed
Lord is it true You died for me?

PRE-CHORUS 2

Oh I see Your love all around me
Open my heart to receive

YOU SAY

Common Gathering

BRIDGE 1

No life no death no rulers
No angels no demons nor things to come
No height no depth no powers
Could separate me from Your love

BRIDGE 2

No weapon formed will prosper
No enemy will have the final say
For if my God is for me
Who can ever stand against

ENDING

I hear You say a thousand times
That I am Yours and You are mine
