- Up to 3 on-camera guests (set dependent)
- Off-camera seating for producers
- Both audio and video recording capability
- Gigabit internet
- Air conditioning
- All-gender and ADA accessible restroom
- Water bottle filling station

SET ONE: THE LIVING ROOM

Cozy two-person couch against rich mahogany backdrop with artfully arranged shelving. Perfect for intimate conversations, storytelling podcasts, and building authentic connections with your audience.

SET TWO: THE MODERN INTERVIEW

Elevated high-top table with premium stools against sophisticated wood paneling, plus Samsung Frame TV for presentations. Built for business podcasts, panel discussions, and data-driven content.

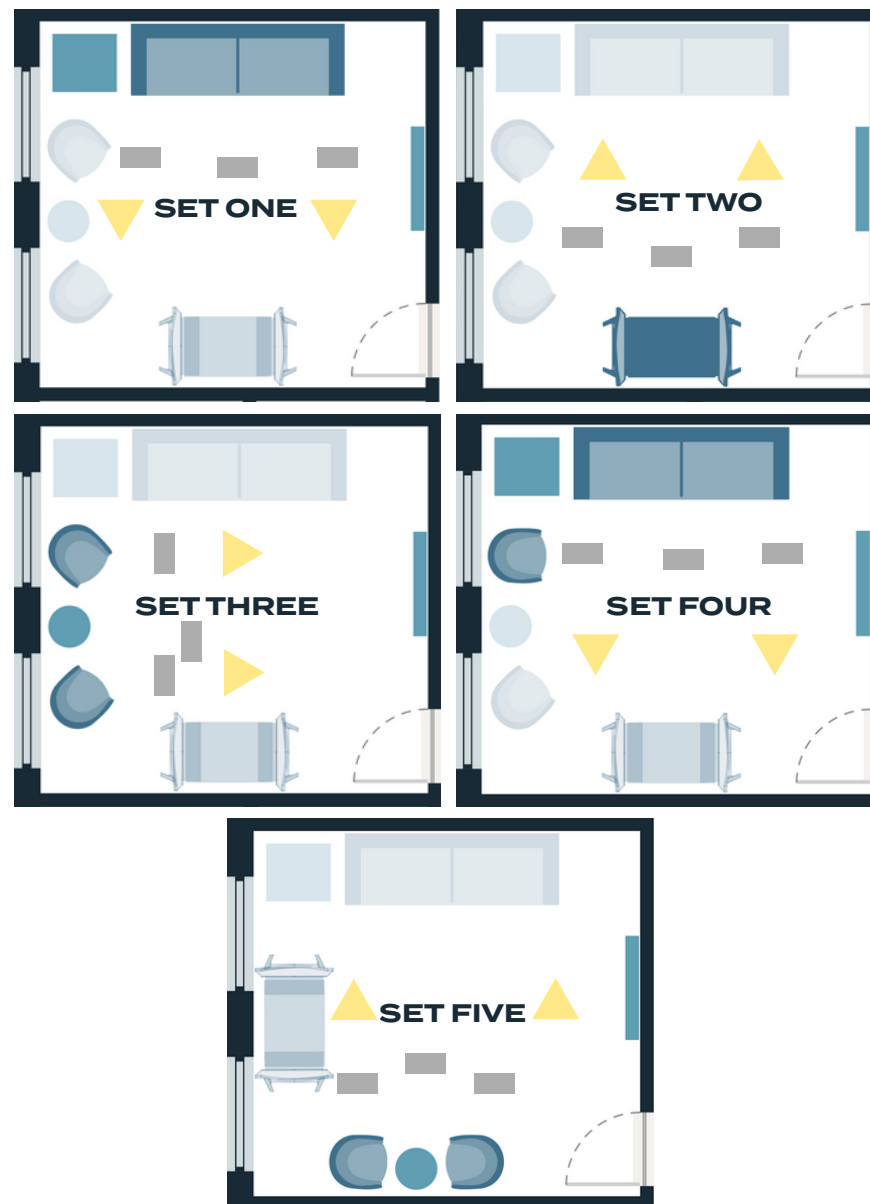

SET THREE: BRIGHT & EDITORIAL

Luxurious velvet blue chairs framed by flowing cream curtains and natural light. Ideal for thought leadership content, professional interviews, and polished brand storytelling.

SET FOUR: THE DEN

Cozy two-person couch and complimentary chair creating a relaxed, conversational vibe. Designed for casual dialogues, creative collaborations, and free-flowing discussions that feel natural and unscripted.
