

NEW NAME, NEW FACES, STILL LOCAL THROUGH & THROUGH

Hello from the Mango Crew! A little about us - we are family owned & operated. As Mango Solutions we plan on being your premium solution to anything and everything Exterior Maintenance related

KERRY & YVONNE M

Hi, we're Kerry and Yvonne M, former owners of Mana Maintenance, proudly employing local people for over 20 years. Concrete and exterior projects have always been our passion - helping our clients achieve their vision, exceeding standards and producing work that continues to stand the test of time.

JONATHAN & YVONNE H

We are Jonathan & Yvonne H, husband & wife duo, owners of local brand Softex Exterior Wash and parents to 2 very busy little bodies. When it comes to business, we are customer focused. We pride ourselves in the overall experience, and we love to go above and beyond for our clients to ensure they get exactly what they want.

WHAT WE ARE ABOUT & WHAT WE DO

We are proud to carry on the legacy handed to us from Michael & Allana. We like to keep things fun around here, so you'll see our branding with pops of colour, variety and humour. Check out our Mango men showcasing our main services!
