

HAVE YOU HEARD?

**We offer FREE
hearing tests and
affordable hearing
aid options.**

*(our top brand sells significantly less
than most retailers)*

*Let us help determine if
hearing aids are right for you.*

**Research shows a correlation
between hearing loss and increased risk
of falling, dementia and Alzheimer's,
and social isolation and depression.**

**Call today for an appointment
with our Hearing Instrument Specialist:**

417-886-1188 1450 W. Cambridge St., Springfield

**Hearing health
is vital to
connection,
communication,
and quality
of life.**
