# Student Activities

During his studies in the University of Bahrain, Yonis was very active student and got involved in so many activities and creative opportunities.

- Head of Multimedia Committees of university events and conferences such as:
  - IT Symposium 3
  - Shababna 1
  - Shababna 2
- Volunteered in various student societies.
- Organized various of in-campus events.
- Represented UOB and awarded twice in the environmental speaking competition by Emirates Environmental Group.

# Civil Engineer

Graduated from University of Bahrain with Associate Diploma in Civil Engineering, and won best senior project award in 2008.

Although Yonis didn't pursue a career in engineering, this degree taught him many skills such as problem solving, critical thinking and project management.

# Mad Scientist

Yonis worked as a science experiments performer for children, in a company called Mad Science that provides educational & entertainment (edutainment) programs, such as live shows, classes and events.

During the 7 years working at Mad Science, Yonis improved the quality of their content, made it accessible to government school and also got his own weekly TV spot in the morning talk show.

This part time job improved Yonis's speaking skills, by giving him the necessary training to perform in front of an audience.

# AIESEC Alumni

While studying Design at Bahrain Polytechnic, Yonis joined the largest international student organization AIESEC in 2011, as communication member, he won the Member of the Year Award in his first year, and got to work on various projects related to cultural exchange and leadership.

After graduation, Yonis continues his partnership in AIESEC as an alumni by being a learning partner and participates as a speaker and facilitator in their national conferences.

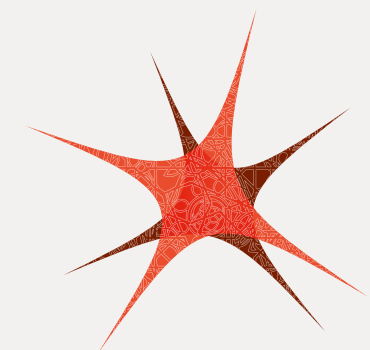

# Visual Designer

Graduated from Bahrain Polytechnic with Visual Design degree, and won the professional student award.

During this study, Yonis learnt proper design principles, typography, layout, and the design process. These teachings had a great impact on his quality of work and understanding of the creative industry and paved the way to starting his own business.

# Adobe Certified Expert

Yonis got certified by Adobe as expert in Photoshop and Premiere, the industry standard software in the field of design and video post production.

# Director & Video Editor

Yonis worked in the production for many successful TV shows and films by collaborating directly with Bahrain TV or production houses such as Studio Master and MOVA Productions. Since 2009 and on going.

Some of these productions:

- The Silver Jubilee documentary commemorating the 25-year anniversary of His Majesty the King's reign [وثائقي اليوبيل الفضي أعوام ووثام]
- Gadha [قدها] Season 2
- YouTube series by Ahmed Sharif [المسباح 2 seasons.
- Social experiment show in Dubai [من مثل أمي]
- Ramadan Shareef [season 1]
- Hidden Camera [الكاميرا المخشوشة] 2 seasons
- Comedy sketch show [خف علينا]
- Tam [برنامج تم] - 3 seasons

# Creative Business

Directly after graduated on 2015, Yonis founded Limefish Design, a studio specializes in providing visual design services, by leading his Bahraini team, he offers his clients the help they need to develop their brand identities and design any visual content on screen or paper.

Limefish offered its services to a wide range of clients from governments organizations, large and medium enterprises to small startups.

Limefish vision is to rid the region from visual pollution by practicing proper design principles and processes; to create high quality design work that is original, aesthetically pleasing and relevant.
