

## Kangar Branch is Refreshed and Ready to Serve

Dear valued partners,

As the capital city and largest town of Perlis, Kangar is called the "Rice Bowl of Malaysia", known for its serene landscapes, strong agricultural ventures and growing tourism.

Our newly refurbished Kangar branch is strategically positioned in this rising state as a hub for the local community, to support their insurance needs, foster economic growth and social progress. It now features a welcoming design, improved customer service area and comfortable waiting zones – all to create a better experience for our customers.

We believe that these improved facilities and personalised services will make insurance more accessible in the community that we operate in.
