10. CHANGES IN CONTINGENT LIABILITIES OR CONTINGENT ASSETS

In August 2016, the Malaysia Competition Commission ("MyCC") had commenced an investigation under Section 15(1) of the Competition Act, 2010 ("the Act") against Persatuan Insurans Am Malaysia ("PIAM") (Malaysian General Insurance Association) and 22 member companies (collectively "Parties") with regards to an alleged infringement of Section 4(2)(a) of the Act in relation to an agreement to fix parts trade discount and labour rates for 6 vehicle makes. On 22 February 2017, MyCC issued a proposed decision to all 22 member companies, proposing to impose a collective penalty of RM213 million on the general insurance industry. PIAM and its members (including the Company) had submitted their respective Written Representation to MyCC in April 2017. The first oral representation was completed in January 2018. However, there was a change of government after the 14th general election. The Competition Committee (new Chairman was appointed) decided to review this case. The case management was held on 21 February 2019 and the oral representation from all relevant insurers (represented by counsels) was held on 13 and 14 May 2019 and 17 and 18 June 2019 respectively.

In September 2020, MyCC issued a final decision against the Parties and it was a finding of infringement under section 4 of the Competition Act 2010. Essentially MyCC maintained its position that the Parties have infringed the section 4 prohibition by participating in an agreement which has the prevention, restriction or distortion in relation to the market of parts trade and labour charges for PIAM Approved Repairers Scheme ("PARS") workshops from 1 January 2012 to 17 February 2017.

NOTES TO THE UNAUDITED CONDENSED INTERIM FINANCIAL STATEMENTS (CONTINUED)

10. CHANGES IN CONTINGENT LIABILITIES OR CONTINGENT ASSETS (CONTINUED)

In view of the impact of the COVID-19 pandemic, MyCC granted a reduction of 25% of the financial penalty imposed on the Parties and a moratorium period for the payment of the financial penalty up to 6-months and payment of the financial penalty by equal monthly installment for up to 6 months. The Company's financial penalty has been reduced from RM16,099,289 to RM12,074,467. The financial penalty exposure of the Company amounted to RM12,555,858, inclusive of RM481,391 arising from business transfer from MPI Generali Berhad (formerly known as MPI Generali Insurans Berhad) on 1 April 2023. In addition to the financial penalty, the parties were also directed to cease and desist from implementing the agreed parts trade discount for 6 vehicle makes, namely, Proton, Perodua, Nissan, Toyota, Honda and Naza and the hourly labour rate for PARS workshops with immediate effect.

Parties appealed against the MyCC decision on the breach and deferment of penalty payment as well as cessation of current practices. Due to the Movement Control Order ("MCO"), the hearing on the appeal before the Competition Appeal Tribunal ("CAT") was postponed. The hearing for the stay application and cessation of current practices commenced on 25 February 2021. In March 2021, CAT decided to allow the stay application and cessation of current practices until the disposal of appeal application.

In September 2022, CAT delivered its final decision in favour of the Parties and overturned the decision by MyCC and its finding of infringement under section 40 of the Competition Act 2010. Subsequently, MyCC filled for a judicial review. The Company has filled a notice to object against MyCC's leave application for judicial review and the hearing has been scheduled on 8 May 2023.

On 16 January 2024, the Court, having considered the Company affidavits, written and oral submissions, has accepted our submissions in full and held that MyCC's application for leave to apply for judicial review did not have merits and dismissed MyCC's leave application for judicial review. On 15 February 2024, MyCC has filed an appeal to the Court of Appeal against the High Court's decision. The Court of Appeal has vacated the hearing date on 22 May 2025 due to unforeseen circumstances and re-fixed 30 April 2026 as the new hearing date for this matter.

The management of the Company believes that the criteria to disclose the above as a contingent liability are met. Saved as disclosed above, the Company does not have any other contingent liabilities.
