## Proud to be Chartered The badge says it all

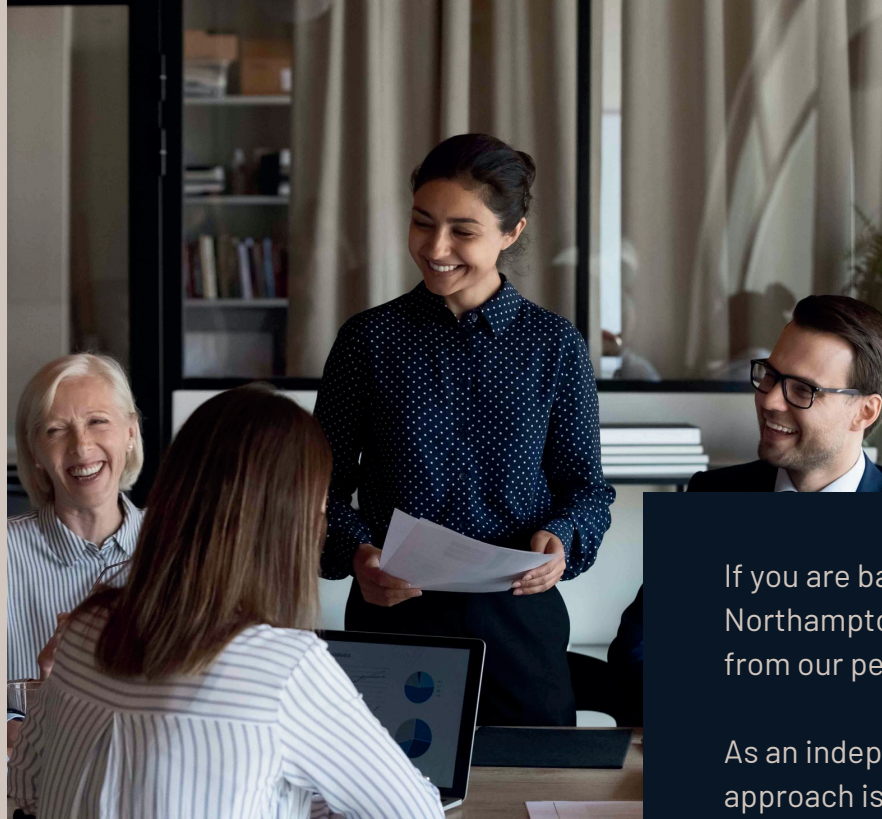

We take professionalism seriously, but that's not enough. We also care about people and about doing the right thing. That's why we became Chartered Brokers in 2014, to demonstrate our commitment to delivering a quality service to you, whilst developing our team and their careers.

Chartered status brings with it a range of ongoing responsibilities that we are required to uphold to ensure that the advice, service and ongoing support we provide you is:

- Of the highest standard
- Based exclusively on your researched needs
- Provided by a professional operating at the correct level of proficiency

To achieve Chartered status, we had to meet several rigorous qualification criteria, in addition to a commitment to the industry's standard Code of Ethics. This includes:

- Continual development of all our personnel, ensuring their level of professional knowledge is always informed, accurate and relevant
- Encouragement and support of our teams to undertake individual technical and professional qualifications
- Ensuring the majority of our customer-facing colleagues are registered members of the CII and adhere to its Code of Ethics and Conduct

## Benefits of working with a local insurance broker

If you are based in Leicestershire, Nottinghamshire, Northamptonshire or Cambridgeshire, then you will benefit from our personalised approach.

As an independent broker, we believe that a one-to-one approach is always the best way to do business with our clients.

Our offices are based in Melton Mowbray, Leicestershire and we are happy for you to visit us to discuss your requirements face to face, or we will visit you at your premises or location.

We provide a fully qualified insurance director who will be your single point of contact for everything from quotes to claims, and will be happy to go the extra mile to find you the best deal. We provide a free quotation and expert advice to help you make informed decisions

*We have been using Harborough Portas for 20 years plus. There is a saying...That you never really find out how good someone is until there's a problem.
