ADULT CLINICS

May – October

Beginner

Ideal for players new to the game or returning after time away. This clinic focuses on learning the fundamentals of tennis—basic strokes, movement, scoring, and court awareness—in a fun, relaxed, and supportive club environment.

Intermediate

Designed for players who can rally and play points with confidence and are ready to take the next step. This clinic emphasizes consistency, shot selection, and match-play situations through engaging drills and coached point play.

Advanced

A competitive, high-energy clinic for experienced players looking to fine-tune their game. Sessions focus on advanced shot-making, tactical patterns, and competitive point play to challenge players and sharpen match performance.

Doubles (Intermediate)

Perfect for players with doubles experience who want to improve teamwork and court strategy. This clinic focuses on positioning, communication, net play, and smart shot selection to help players feel more confident in doubles match play.

Doubles (Advanced)

A competitive clinic for experienced doubles players. Emphasis is placed on aggressive net play, poaching, return positioning, and tactical decision-making to elevate performance in high-level doubles play.
