Our Vision to Drive the Economy

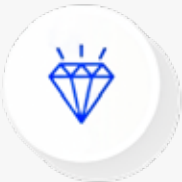

To be the first and leading company in the Middle east and one of the five world brand leaders in automated car wash solutions (in consideration to product lifetime and number of machines).

Our Mission

To make car washing smarter, faster, and more sustainable through advanced technologies – showcasing Saudi-made products that meet global standards.

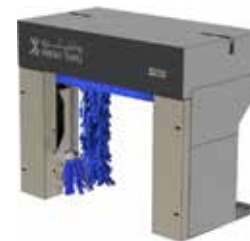

Our Message

We seek to provide high-quality automated car wash solutions that rely on state-of-the-art AI and IoT technologies and to export Saudi technology to global markets.

Our Machines

RS Rollover Machine	1
RA Rollover Machine	2
RH Rollover Machine	3
RCV Touchless Machine	4
TS Tunnel Machine	5

RS Rollover Machine

Total Machine Installation Volume

Length: 12-13 m

Width: 4 m 4.5 m (Ground foundation option)

Height: 3.6 m 5.5 m (Wall foundation option)

Machine Weight

1,900 Kg

Water Consumption per Vehicle

240 L

24 L with water recycling machine

Power Consumption per Vehicle

1.25 Kw

Air Dryers

4 Air Dryers

Machine Dimensions

Length: 3.16 m

Width: 3.90 m

Height: 3.40 m

Maximum Vehicle Dimension

Length: 5.80 m
(if the shop length is 11.50 m)

Length: 5.90 m
(if the shop length is 12 m)

Width: 2.30 m

Height: 2 m

Wash & Dry Time per Vehicle

4-5 Min

Machine Purchase Options

- Purchase
- Installments
- Rental

RA Rollover Machine

Total Machine Installation Volume

Length: 10-11.20 m

Width: 3.9 m / 4.3 m (Ground foundation option)

Height: 3.5 m / 4.5 m (Wall foundation option)

Machine Weight

1,660 Kg

Water Consumption per Vehicle

160-120 L

16 L with water recycling machine

Power Consumption per Vehicle

1.15 Kw

Air Dryers

6 Air Dryers

Machine Dimensions

Length: 2.05 m

Width: 3.80 m

Height: 3.31 m

Maximum Vehicle Dimension

Length: 5.80 m
(if the shop length is 9.50 m)

Length: 5.90 m
(if the shop length is 10 m)

Width: 2.30 m

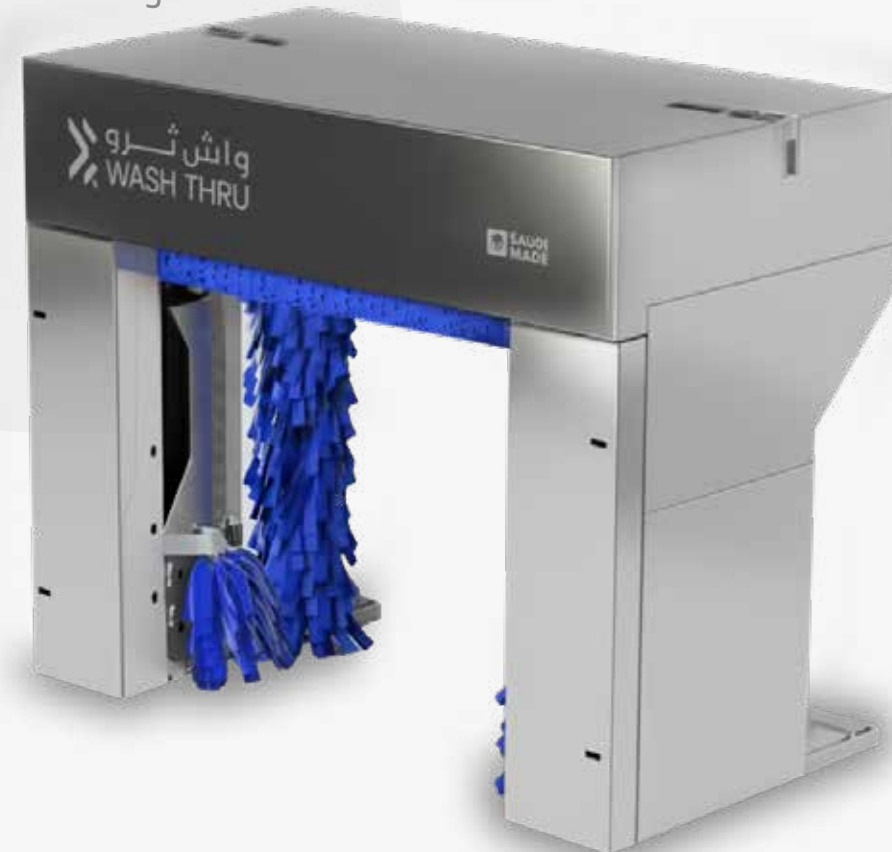

Height: 2 m

Wash & Dry Time per Vehicle

3-4 Min

Machine Purchase Options

- Purchase
- Installments
- Rental

RH Rollover Machine

Total Machine Installation Volume

Length: 8.5-9 m

Width: 3.7 m 4.1 m (Ground foundation option)

Height: 3.4 m 4.5 m (Wall foundation option)

Machine Weight

1,500 Kg

Water Consumption per Vehicle

120-160 L

16 L with water recycling machine

Power Consumption per Vehicle

0.5 Kw

Air Dryers

6 Air Dryers *(Optional)

Machine Dimensions

Length: 1.35 m

Width: 3.60 m

Height: 3.20 m

Maximum Vehicle Dimension

Length: 5.60 m
(if the shop length is 8.50 m)

Length: 5.90 m
(if the shop length is 9 m)

Width: 2.30 m

Height: 2 m

Wash Time per Vehicle

6-7 Min

Machine Purchase Options

- Purchase
- Installments
- Rental

RCV Touchless Machine

Total Machine Installation Volume

Length: 7.20 m

Width: 3.90 m

Height: 4.30 m

Machine Weight

1,100 Kg

Water Consumption per Vehicle

230 L

23 L with water recycling machine

Power Consumption per Vehicle

0.4 Kw

Air Dryers

6 Air Dryers *(Optional)

Machine Dimensions

Length: 55 cm

Width: 3.56 m

Height: 3.92 m

Maximum Vehicle Dimension

Length: 5.90 m

Width: 2.30 m

Height: 2 m

Wash Time per Vehicle

4-5 Min

Machine Purchase Options

- Purchase
- Installments
- Rental

TS Tunnel Machine

Total Machine Installation Volume

Length: 14 m

Width: 4.50 m

Height: 4.50 m

Machine Weight

3,500 Kg

Water Consumption per Vehicle

225 L

25.5 L with water recycling machine

Power Consumption per Vehicle

1.62 Kw

Air Dryers

7 Air Dryers

Machine Dimensions

Length: 13.65 m

Width: 4.25 m

Height: 3.50 m

Wash & Dry Time per Vehicle

Length: 7 m

Width: 2.10 m

Height: 2 m

Wash Time per Vehicle

1.5 Min

Machine Purchase Options

- Purchase
- Installments
