Please note that most of our food is prepared in a central preparation kitchen where we handle the following allergens; **Gluten, Milk, Eggs, Soya, Fish, Custaceans (Shrimp), Peanuts, Tree Nuts (Walnuts and Cashews), Sesame, Mustard and Celery.** If you have a serious allergy to any of these then we recommend that you do

** Soy Sauce contains <2% alcohol by volume. The alcohol is not added as an ingredient, but is a result of the natural fermentation process whereby the wheat starches are broken down to sugars and part of the sugar is changed into alcohol.

V(Vegetarian) / Ve or VG(Vegan)

DF(Diary free)

Some allergens items can be removed - please check ingredient list
