

Artistic Dance Unlimited  
JANUARY NEWSLETTER 2026

We hope everyone had a lovely holiday. We are so excited to begin the second half of this dance year. In the coming months we will be busy, busy, busy as we begin teaching the students their recital routines. Attendance is very important for our students to not fall behind in the choreography. If poor attendance occurs in a class, it may result in extra mandatory rehearsals before recital for the class. Private lessons may be required for those individuals with poor attendance. We understand sickness occurs and we do not want students to attend if they are ill. Please try to have your children to class on time as tardiness slows the teaching process. We thank all our students and parents who make sacrifices to attend and be at class on time. We know the New Year holds new and exciting opportunities for ADU and hope 2026 is a wonderful year for our ADU family.

## Studio Reminders

- Always read the newsletter and check dry erase board located next to office.

- Reminder: Tuition is late after the 10<sup>th</sup> of the month and a late fee is charged.

## Recital Costume Information

All costumes have been ordered for the recital if you have paid all costume deposits. You will receive an email notification as soon as the costume balances have been added to your account. If you do not have online access to check your account, please ask in the office. Costume balances are due by **February 12, 2026**. After that date late fees may apply. Students will not receive their costumes until **ALL** balances have been paid in full. Any student unable to be in the recital is still responsible for the balance due on costumes. Dancers must have the proper colored shoes and tights by dance picture dates.

# **ADU Dance Company Info & Reminders**

- As the competition season begins, it is very important for everyone to stay positive, enthusiastic, and united. Parents, please encourage your dancers with positive reinforcement. Your job is getting them places on time, dressed, and ready. They, along with our help, will do the rest. Encourage them to practice at home. We do not focus on the awards given, but on the personal achievement of each dancer. Thank you to all the dance company members for all the time and effort you have put forth. We are proud of all four companies and think they are outstanding no matter what score they receive! Always remember you will receive the most accurate answer to your questions by asking Alette and Ursula. Please remember that we are professionals and make decisions based on our expertise.
