# ◆ WELCOME ◆

Welcome to our annual Spring Performances at the beautiful Clayton Center for the Arts. We are excited to celebrate Artistic Dance Unlimited's 26th season! We look forward to presenting our dancers in entertainment packed shows. From our youngest dancers in their very first recital to our national award winning Dance Company, you will enjoy a vast range of genres and music from across every decade. At A.D.U. we pride ourselves on our ability to teach each dance discipline we offer at an advanced level. Each show will present an array of talents and abilities.

Since our inception in the summer of 2000, Artistic Dance Unlimited has remained committed to our philosophy: children, like flowers, will grow and develop at their own rate according to the talents and abilities with which they have been bestowed. Our goal is that each student is provided with the highest quality of dance instruction. We want all our dancers to find their own uniqueness. On behalf of our entire staff, we thank our parents, grandparents, and families for giving their children the opportunity to experience the art of dancing. Thank you for entrusting us and allowing us to share our passion for dancing with them.

We are pleased to present "LIGHT UP THE DANCE FLOOR"! Our dancers have prepared for months for these performances. Many hours have been spent preparing, practicing, and planning for our annual show. As parents ourselves, we understand that your children are the light of your lives. They light up our lives as well! The smiles, the laughter, the determination, the working hard to get a step – each of these moments warms our hearts. These moments are light on the darkest day. The lights, the stage, the music, and the applause are magic for a dancer. We hope their time spent at our studio gives them the courage and confidence to light up any room, stage, or audience that life may present to them as adults. We have seen them all light up the classroom, and now we can't wait to see them light up the dance floor! Cherish these moments because although their lights will never dim, this will one day be a memory. Enjoy the show!

Sincerely,  
Alette Garner and Ursula Margolis

## ✦ DANCE COMPANIES ✦

The ADU Dance Company is a group of dedicated dancers who represent Artistic Dance Unlimited through area performances and competitions. We have been fortunate to work with these dancers over the past year. They have performed at The Blount County Christmas Parade and Fantasy of Trees.

ADU's five dance companies have participated in the Platinum Dance, Ignite, Turn It Up, Precision Arts Challenge, and will attend Stage One Nationals in June.

It takes a lot of blood, sweat and tears to make it as an ADU Dance Company member. Our dancers persevere through sickness, injuries, and just plain old "bad days." These dancers have worked hard and have excelled! Congratulations on a great year!
