I'M A LITTLE IGLOO

Tune: I'm a Little Teapot

I'm a little igloo in the snow,
(Use both thumbs to point toward yourself.)
Icy and cold but still a happy home.
(Hugs your arms around yourself, and shiver.)
I will be your fortress in the storm
(Create an "X" with your arms, in front of you.)
To shelter you and keep you warm!

(Touch your fingertips above your head, and create a dome shape with your arms.)

ARCTIC EXPEDITION CONVERSATION TOPICS

What is your favorite Arctic animal?

What would you do if you lived in the Arctic?

How do animals stay warm in the Arctic?

ARCTIC EXPEDITION AT HOME ACTIVITY

IGLOO FORT

To make a simple igloo fort, gather a large box (child-sized), an assortment of other cardboard items (boxes, toilet paper rolls, etc.), duct tape, scissors, and decorative items (paint, glitter, blankets, etc.) Place the large box open-end down, and cut out an entryway. Use cardboard to create a tunnel leading to the igloo's entrance, and decorate as desired.
