

SUMMER NEWSLETTER 2023

CEO NOTE

It's been really encouraging to see the number of young people who have become a part of our graduate team this year and I am excited to see their growth and development. I am also pleased to announce Voyage has successfully placed over 25 young people into work experience placements this year in 6 SMEs. These transformative experiences are designed to give young people access to spaces helping them to access red brick universities, fortune 100 companies and become highly competitive individuals.

We had a fantastic Graduation Event in Hoxton Hall on 22nd July, thanks to our hugely supportive team of trustees, staff, volunteers, youth board and partners helping to create another excellent year of steady growth at Voyage.

YAB

Thank you to all of our young people who were apart of our youth advisory board this year supporting our plans consulting our partners and keeping young voices at the heart of everything we do at Voyage. We look forward to a new cohort of young people to research and present their views on issues affecting young black communities.

Voyage x Repower

We're proud and honoured to be working in close collaboration with repowering in Brixton on our new project called Voyage to Repower. This is a 3 month scheme for NEET young people to access jobs in the growing environmental sector. Email julia.dunlop@repowering.org.uk to get involved!
