

WELCOME TO OUR APPLICANT INFORMATION EVENING

“ Hello and welcome to our Applicant Information Evening.

I would like to congratulate you on receiving your offer of a conditional place to come and study with us in September. I am so pleased that you want to become part of the Wyke success story.

”

Tonight's event will allow you the opportunity to see our campus and answer your final subject questions. It will also focus on the opportunities that you can get involved in with us. That includes our enrichments, trips and visits and guest speakers, all of the things that mean you will be in the best position to go and be ready for the world and progress to the most aspirational destinations. We call this 'The Wyke Experience.'

I hope you have a great evening and you have all of your questions answered.

I would like to wish you the best of luck with your GCSE examinations. Keep working hard and achieve the best you can across all of your subjects. I am looking forward to welcoming you back to our campus for Wyke Start, our two day taster event on the **30th June and 1st July** to further allow you the chance to experience all that the College has to offer.
