Every family is different.

Every home is unique.

But every home gets to decide:

What do we want our house to be known for?

WEEKLY REMINDER

A strong home is built with love, kindness, and Jesus at the centre.

FAMILY PRAYER

Jesus, thank You for our family and our home. Thank You for the people You have placed in our lives. Help our house to be filled with love, kindness, patience, and forgiveness. Teach us to encourage one another, help one another, and show Your love in the way we speak and act. Help us build a home where people feel welcomed, valued, safe, and loved. May our family grow closer to You and closer to each other every day. Let our home be a place where Your peace lives and where Your name is honoured.

In Jesus' name, Amen.
