

NICS Reading Incentive Program Guidelines 2026-2027

Each student has the opportunity to earn a \$20, \$30 or \$40 gift card at the end of the school year by reading a certain amount of pages and types of books during the school year.

How:

1. Pick out a book
2. Read book
3. Get interview sheet from library, fill it out, have parent sign
4. Do oral interview with librarian during lunch
5. Librarian will track your pages
6. Keep reading

Students can read books that are:

- Approved by their parents (some titles are not approved for the reading program by the school/board) .
- Chapter books over 100 pages in length at the student's reading level.
- Read during the school year September - May
- Have not read before

Books that are required reading in class are not eligible for reading program

Biographies and classic books (there is a list of approved classics that are located in the NICS library) are required for each level of the program

Level 1: To earn a \$20 gift card, read:

- One classic
- One biography
- Any other books to get to the total of 1,800 pages
