☐ **Opt-in: Please apply the multi-student discount of 10% to my account.**

☐ **Opt-out: Please bless another family by applying my multi-student discount to the NICS Scholarship Fund.**

Need Based Scholarship Assistance is available to qualifying families.

Payment Policy:

- Families paying tuition in full, by the 1st day of school, will receive a 1.5% discount for the school year.
- Tuition is paid through our online tuition service FACTS Management. Monthly tuition is due on the 1st and late after the 5th of the month unless other arrangements have been. **Registration requires enrollment in FACTS.**
- If a parent is 30 days late on payment, students will be asked to remain home from school until payment is made. Report cards, transcripts, and diplomas will be withheld until payment is made.
- Postdated checks are not an acceptable form of payment. There will be a \$50 returned check fee.
- If a K-12 student is not enrolled beyond 30 days, no further tuition obligation will be incurred. After 30 days of enrollment, commitment to pay the full tuition of the current semester is required
- If a parent elects to take a child out of school before the semester ends, the parent will pay for the full semester and no refunds will be given for prepaid tuition for the current semester.
- Should a student transfer out of NICS, all academic records will be held until the student/family is in good financial standing.

- Previous Educational Institution: For acceptance into the NICS program, all financial accounts with previous educational institutions must be paid in full. Records must be received from the former educational institution prior to enrollment.
- Registration fees of \$350 for new students/\$250 for returning students must be received before the end of the school day on January 26, 2026 or enrolled in continuous enrollment. These fees are non-refundable.
- Registration fees will not be accepted for accounts with a past due balance. For these accounts, registration fees will be applied to the delinquent balance.

Service Hours:

- NICS requires 15 Service hours to be completed per family, per year. 30 hours are required if you have received financial aid. If you are unable to complete your Service Hours or would prefer not to, you may pay \$500 to cover your hours. If hours are not completed by the end of the school year and/or the fee is not paid, you will not be eligible for re enrollment until it is resolved. Our goal in requiring Service Hours is to not only be able to meet the needs of the school throughout the year but also have you in the school and be a part of our NICS community and keep costs down.

FACTS Grant & Aid

- Criteria for assistance: Total tuition exceeds 10% of total income from all sources. For example, a family with 1 elementary student at \$6186.60 tuition would need to have a total income of less than \$61,866.00.
- Grant & Aid is awarded based on need and availability at the discretion of the Grant & Aid committee.
- There is a limited amount of Grant & Aid available
- All families awarded Grant & Aid are required to complete **30 volunteer hours** during the school year.
- All Grant & Aid applications and awards are confidential. Failure to maintain confidentiality on the part of a family is grounds for nullification of the award.
- You may apply for Grant & Aid if you are the student's parent or legal guardian.

Additional Fees

- Athletic participation by sport
- Elective classes, Art, and similar group/classes
- After School Clubs
- Tech Fee
