FEED THE NEED: MAKING AN IMPACT IN BANGLADESH

We're thrilled to share that the Feed the Need meals provided by our 25/26 NICS family have been successfully delivered to Bangladesh!

These photos share the story of Riktik, one of the children whose life has been directly impacted by your generosity. Thank you for helping meet both the physical and spiritual hunger of Riktik, his family, and many others. Your generosity is making a real difference around the world, and we are so grateful for your partnership in sharing God's love! Together, we are feeding bodies, sharing hope, and helping others live loved for God's glory.

PLAYGROUND EQUIPMENT IS IN!

A huge THANK YOU to our NICS families, supporters, and everyone who helped make this possible through fundraising. Your generosity is making a lasting impact on our students and our school! We are so grateful for a community that continues to show up, give generously, and invest in our Royals!

💙 Grandparents' Day at NICS! 💙

What a special morning at NICS!

We loved celebrating the incredible grandparents who came to worship, connect, and make memories with our students. Your love, wisdom, and prayers are such a blessing to our NICS family!

A huge THANK YOU to all of our grandparents for joining us—and to Mr. Booth for helping make the morning such a wonderful success!

We are so grateful for the generations God has brought together at NICS! 👑🦁

Jesus + Grandparents + Grandkids
= a pretty wonderful day! ❤️

💙 Parent Pop In at NICS! 💙

We had so much fun seeing our NICS parents pop in for lunch and enjoy some special time with their students! 🥪 There were lots of smiles, conversations, and sweet memories being made.

Thank you to all the parents who joined us—we loved having you on campus!

Missed this one? No worries! We have another Parent Pop-In scheduled for February 18th. We hope to see you there!

STUDENT OF THE MONTH

Taylor Longwell was chosen as September's Secondary Student of the Month for his dedication to learning, their desire to gain a deeper understanding, and for having a respectful attitude. Thank you for putting forth your best effort and being a wonderful example to your fellow classmates.

Our NICS juniors had a great opportunity to explore their options beyond high school with a field trip to North Idaho College and Parker Technical Education Center!

Students learned more about college pathways, career opportunities, and hands-on technical education as they consider what God may have planned for their futures.

We love giving our students opportunities to explore, ask questions, and discover how their gifts and interests can be used for God's glory!
