Food Support Resources

Do you or someone you know need help with securing food for yourself or your family? Lewis County has many resources available to help those in need.

- Many communities have local food pantries. Some have income requirements and others do not. But all can usually supply a family with emergency food regardless of income. Contact your local pantry to learn more.
- The Food \$en\$e program is open to anyone and helps lower the cost of some food staple items and has multiple pick up locations.
- A few churches offer local meals open to all in the community.
- The Department of Services can help you apply for Supplemental Nutrition Assistance Program (SNAP). Currently funding may or may not be available but they can help you apply for when it is available.

To learn more about many of these resources go to <https://www.nnycs.org/services> click on your county and the "Food" option.

Christmas with the KRANKS

Finally alone for the holidays, Luther (Tim Allen) and Nora Krank (Jamie Lee Curtis) plan to eschew the Christmas traditions and take a cruise in the Caribbean instead. This doesn't sit well with their Christmas-obsessed neighbors Vic Frohnmeyer (Dan Aykroyd) and Walt Scheel (M. Emmet Walsh), who are determined to win the annual "best decorated street" competition, and the Kranks soon find themselves social outcasts because of their lack of Christmas spirit.
