CHJC Campus Cottage 1 - Watertown NY

"The Teen+ Club is a specialized program designed to serve neurodivergent teens and young adults (ages 13-21) in the community, providing them with a supportive environment where they can build social skills, engage in collaborative activities, and receive guidance for transitioning into adulthood. Recognizing the unique challenges faced by neurodivergent individuals, especially during the critical adolescent and young adult years, the Teen+ Club aims to bridge the gap in services that cater to their social, emotional, and developmental needs.

Program will be in Cottage #1 on the CHJC Campus, led by volunteers."
