Spence Club is a unique place for women of all ages, backgrounds, industries and goals to come together, united in their desire for personal and professional development. With a growing membership of empowered, strong and innovative women, Spence Club provides a collaborative and supportive environment for South Australia's up-and-coming female leaders.

A LETTER FROM THE CHAIR

Beth Shimmin

Spence Club had another wonderful year in FY2025-26, and once again it was our community who made it so. Your energy, curiosity and generosity shone through at every event, whether you were meeting a new connection, hearing from one of our amazing speakers, considering new ideas, or showing up to support other ambitious SA women. Our community continues to be the heartbeat of everything we do and I am grateful for you all.

The Spence Club Board was proud of the events program we presented this year. We offered four major events and three minor events, alongside our AGM, and welcomed an incredible line-up of speakers who brought their own stories, insights and expertise to inspire our community. I'm delighted to share that event registrations grew for the second year running under our new model, up 20% year on year (YOY).

Our commitment to giving back and focus on philanthropy was also a point of pride and something that was and is greatly valued by our members. Each year, Spence Club donates 70% of its profits to our charity partner of choice, and based on this year's balance sheet, the Board pledged $2,500 to Catherine House for FY2025-26, a 185% increase YOY.

This was possible because of the backing we received not only from our attendees and members, but the sponsors, partners and volunteer speakers who are so generous with their support. We look forward to continuing our support of Catherine House, Dress for Success, and other charity partners in FY26-27.

Our strategic focus this year remained on reputation, retention and growth, and these results are a solid reflection of the progress we've made across all three. I am excited for you to read this report and see more of what we've achieved together.

Behind the scenes, we worked hard to strengthen how the Club operates.

Among many achievements, we introduced a new sub-committee to sharpen our focus in the key area of member engagement, appointed a Governance Officer to ensure our practices remain sound and accountable, conducted an audit of our digital platforms, introduced auto-renewal of memberships for more convenience, and ran our first annual member survey to make sure the voices of our community continue to shape the direction of the Club.

This year, we also placed particular emphasis on our board operations, wanting to ensure our Directors were well onboarded, supported and retained, and I am delighted to say we achieved exactly that.

Our Board worked tirelessly across every part of the Club and I am deeply grateful to this dedicated group of Directors for carrying the full weight of the Club's work with such generosity and skill: Alexandra Beal, Brittany Duregon, Charlene McGrath, Emma Dignon, Gabriela Vasconcelos, Jade Wright, Katarina Watkins, Katie Jansen, Mandy Azzam, Mimi Sia, Paula Jacques, and Rosemary Simper.

As we look to the year ahead, we'll shift our focus to a renewed theme of 'legacy'. This theme will guide our planning, our partnerships and our programming as we continue to grow a Club that is inclusive, ambitious and impactful.

Thank you to every member and friend who showed up, engaged and supported this remarkable club.

Here's to the year that was, and to the legacy we are creating together.

Beth Shimmin

WELCOME TO SPENCE CLUB

Founded in 2014, Spence Club is a unique networking organisation for ambitious women in South Australia, creating an inclusive peer support network across sectors and professions. Named after the iconic South Australian suffragist Catherine Helen Spence, Spence Club is all about celebrating, empowering and supporting professional women.

For more than 10 years now, Spence Club has aimed to be a future-shaping force for hundreds of women in South Australia.

We do this by providing opportunities for professional women to network and connect with like-minded peers, while supporting our charity partners with proceeds from our events. Also, as we are a not-for-profit, 70% of our annual profits go directly to our charity partner, Catherine House.

With a particular focus on retaining and supporting female talent in our home state, Spence Club seeks to inspire and empower the current and next generation of professional women to fulfil their potential through personal and professional development.

Benefits of joining Spence Club include:

- Meet and network with other women who are leaders in their fields
- Build your personal or business profile within South Australia
- Attend engaging and informative events and workshops
- Hear from inspirational guest speakers
- Raise funds for charities through our events.

Spence Club is also future-shaping in that it offers valuable opportunities for women to gain hands-on board experience in a way that few – if any other – organisations in Adelaide do.

ABOUT US

OUR VISION & PURPOSE

Our Vision: To be the South Australian network of choice for current and emerging female leaders across industries to forge connections, develop professionally and grow in their careers.

Our Purpose: To retain, inspire and empower female talent in South Australia by connecting, inspiring and empowering South Australia's emerging female leaders.

OUR OBJECTIVES

Spence Club aims to:

- Build an engaging and supportive network of professional women across industries;
- Foster genuine, lasting connections for our members;
- Positively impact members' career trajectory through personal and professional development opportunities;
- Celebrate the talent and achievements of current and emerging women female leaders in South Australia;
- Give back through philanthropic endeavours to support our local communities; and
- Advocate for and drive cultural change to improve gender equity and increase female leadership.

OUR VALUES

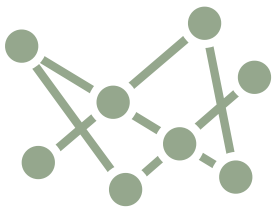

Inclusivity
Attracting professional women from a diverse range of industries, professions, cultures and nationalities who call SA home.

Equity
Striving for gender equality through leadership and empowerment.

Altruism
Financially supporting local communities and charities to help South Australia thrive.

Connection
Providing members with the opportunity to build genuine professional and personal connections.

SPENCE CLUB MEMBERSHIP

Membership Options at Spence Club

Spence Club offers three membership options, designed to suit individuals, teams and organisations looking to invest in the growth of the women within them:

- Individual — $60 per annum, for one person
- Group — $275 per annum, for five people
- Corporate — $500 per annum, for ten people.

All memberships provide access to our exclusive member-only events, discounted tickets and early-bird offers to our major events, and other member perks that support the professional and personal development of our community.

To sign up, visit www.spenceclub.com.au/membership.

Managing Your Membership

In FY2025-26, we moved our membership and payment management onto Memberstack and Stripe, a change that has made joining, renewing and managing a Spence Club membership simpler and more secure.

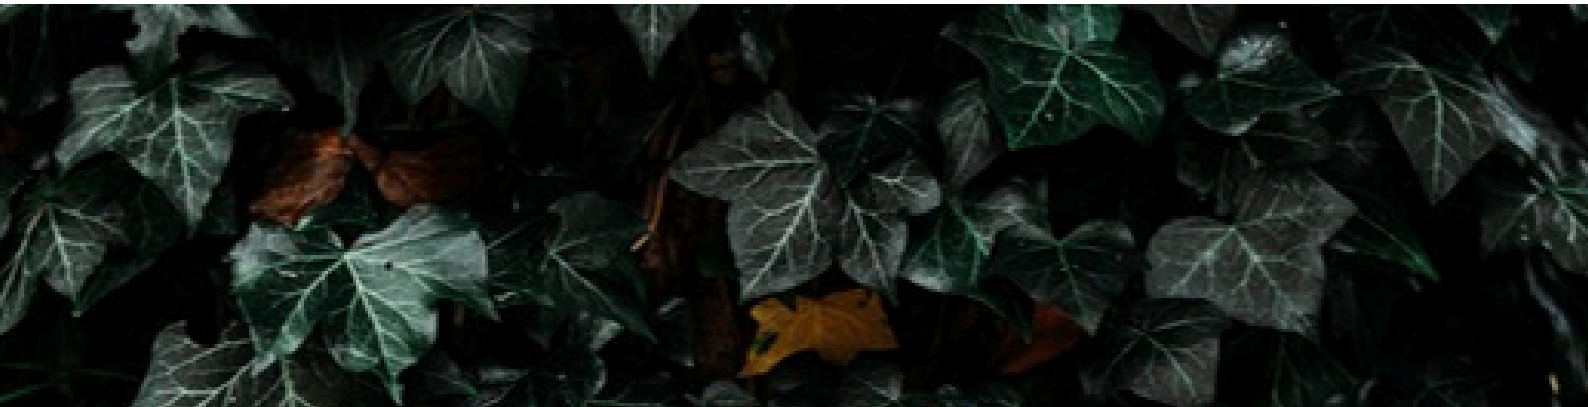

This upgrade also allowed us to introduce automatic renewal for members who choose it, meaning your membership fee can now be charged automatically to your saved payment method when it falls due, with reminders sent ahead of time so there are no surprises.

Members can review their membership, update payment details or switch automatic renewal on or off at any time by logging into their Spence Club account.

If you ever need a hand with your membership or renewal settings, our team is here to help at memberships@spenceclub.com.au.

BOARD OF DIRECTORS

2025-2026
YEAR IN REVIEW

THE YEAR IN REVIEW

122

SPENCE CLUB MEMBERS*

With a consistent level of membership maintained across the year and compared to the FY 2024-25 report (which recorded 123 members), the Club continues to see a diverse and inclusive professional sector spread across our membership, with women of all industries engaging with us.

330

IN-PERSON EVENT REGISTRATIONS ACROSS 8 EVENTS

Spence Club offered four major and three minor events in FY25-26 as well as our AGM. We are proud that our event registrations increased for the second year in a row using our new model of events - by 22% year on year in FY25-26 (270 in FY24-25).

$2500

PLEDGED TO OUR CHARITY PARTNER

Each financial year, Spence Club donates 70% of its profits to our charity partner of choice (which means our annual financial statements show the donation amount that corresponds to the previous financial year - see page 9).

For FY25-26, based on the Club's profits, the Spence Club Board pledged to donate $2,500 to our charity partner of choice, Catherine House, representing an 85% increase on what we pledged to donate in FY24-25 (which was $1350).

This means that we've been able to provide support towards over 16 nights of accommodation at the Catherine House crisis centre (as the cost per night is $152 per client**). We are proud of our contributions to Catherine House across FY25-26 and look forward to continuing our support of charity partners in 2027.

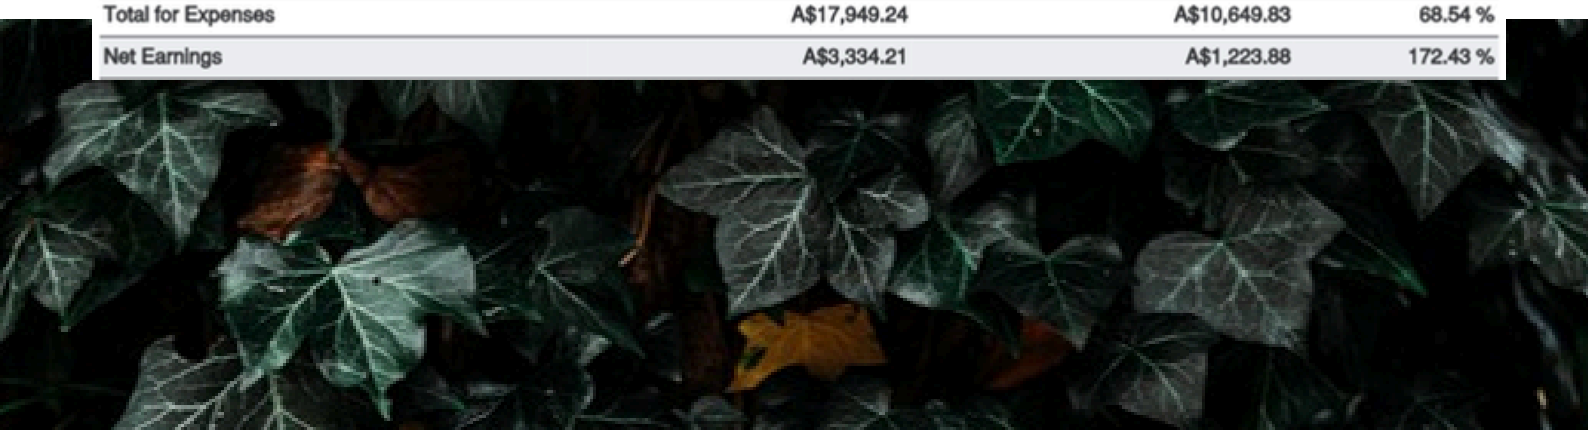

*As at 29 June 2026.
** According to the Catherine House 2024 Community Fundraising Kit.

Catherine House Inc.

2025-2026 EVENTS THROWBACK

Dangerous Women: A Night at AGSA

August 2025 - Art Gallery of South Australia, Adelaide CBD

On Friday 1 August 2025, Spence Club held its first-ever collaboration with the Art Gallery of South Australia (AGSA), bringing together 40+ members and friends in the Radford Auditorium for an evening of networking, art and inspiring storytelling.

Dangerous Women centred on AGSA's exhibition *Dangerously Modern: Australian Women Artists in Europe 1890–1940*, which told the stories of 50 trailblazing Australian women who ventured to Europe at the turn of the 20th century, breaking social norms to pursue international artistic careers. These women weren't just ahead of their time - they were revolutionary, and, in some eyes, "dangerous" for simply following their ambitions.

Guests were welcomed with canapés, drinks and a luxurious gift from event sponsor Jurlique, and enjoyed 10% off at the AGSA store.

We heard from The Hon. Katrine Hildyard, Minister for Women and the Prevention of Domestic, Family and Sexual Violence in South Australia, who spoke passionately about the importance of inclusion, resilience, and continuing the fight for gender equity in all spheres of life.

Following the Minister's speech, AGSA's Tansy Curtin, Acting Assistant Director, Artistic Programs, took to the mic. Tansy shared the curatorial journey behind *Dangerously Modern*, highlighting key artists and themes from the exhibition, and spoke candidly about her own career pathway in the arts and what it takes to thrive in a competitive industry.

Her insights sparked a thoughtful Q&A with the audience, touching on contemporary "dangerous women" and strategies for supporting each other in male-dominated fields.

Attendees also explored AGSA's First Fridays programming, including poetry readings, live music and performance art, alongside the exhibition itself.

Untold Chapters: Stories Of Resilience & Growth

October 2025 - Mylk Bar, Waymouth Street, Adelaide

On Tuesday 28 October 2025, nearly 50 members, friends and new acquaintances of Spence Club gathered at Mylk Bar on Waymouth Street for an evening of authentic, vulnerable and brave conversations, alongside networking, food and drink.

Our panel of brave, authentic and resilient women - Kristen Eckhart, Sophie Bretag and Sharmilla Zaluski - spoke with real candour about drawing on resilience during challenges they've faced, both personally and professionally, including confronting health issues, supporting a loved one through serious challenges, or discovering that an "ultimate" career move wasn't the opportunity of a lifetime after all.

Despite coming from different industries and career stages, their messages were consistent: hard seasons don't last; we all need a buffer from the chaos, even in small breaks; resilience isn't the same as perseverance - sometimes it means listening to your body and resting; and looking after yourself isn't selfish.

Practical lessons included practising gratitude, asking for help earlier, and knowing when to persist versus when to step away. Standout takeaways included "resilience is having the courage to walk away," choosing "grit or grace," seeking "purpose over politics," and being "proactive with the pause."

Our audience was genuinely moved by each speaker's story, and we were inspired and thankful for the bravery, authenticity and generosity of Kristen, Soph and Sharmilla.

Following the panel, Spence Club also welcomed several new board members appointed at the 2025 AGM (pictured below!), and thanked outgoing board members for their contributions.

Networking afterwards was lively and generous as usual, with first-timers connecting warmly with our supportive members.

2026 Keynote: The Experiment Mindset with Tamsin Simounds

January 2026 -
ANZ, Pirie Street, Adelaide SA

Our first major event of 2026 was a great success! Held on Wednesday 18 February 2026, and hosted by our sponsor ANZ in their beautiful Pirie Street function suite, more than 55+ members and friends gathered for an energising evening centred on a powerful approach to personal and professional growth: the experiment mindset.

Our keynote speaker, Tamsin Simounds, shared her own leadership journey, from wanting to "be the boss" as a young girl to finding herself leading a business in her early twenties. Despite achieving the role she'd always envisioned, the reality wasn't what she imagined - work felt overwhelming, and even endless leadership training didn't fix things.

Her turning point came when she returned to study psychology while raising a baby, as this is when she discovered a fundamental truth: people don't have a *learning* problem, they have a *doing* problem.

From there, Tamsin introduced the Experiment Mindset - the idea that progress comes not through perfection, but through continuous testing and learning. Instead of striving to "get it right," the experiment mindset encourages us to gather data, act, observe and adjust.

Participants were invited to choose an area of life where they felt stuck and design a simple experiment using the formula: "I'll test... for... to learn..." - a practical exercise that helped translate the mindset from theory into motion, reinforcing that even small experiments can create meaningful change.

Key takeaways from Tamsin's speech included:

- The goal of an experiment is to learn, not win.
- Growth isn't linear and failure isn't final.
- You don't need the full plan; you only need your first best test.
- Curiosity beats certainty when it comes to building an exciting career.
- Science tells us we grow through experiments, even when our brains resist action.

A Q&A rounded out the evening, with Tamsin sharing candid stories of her biggest career challenges and reflecting on how emerging technologies, including AI, make experimentation more essential than ever. She reminded us: you don't need certainty to move forward - you just need the courage to test, learn, and try again.

It was a fitting way to kick off the year, setting an energised, experimental tone for everything Spence Club had planned for 2026.

Bold Moves: Career Stories of Advocacy, Action & Courage

May 2026 -
The Gallery on Waymouth, Adelaide

On Wednesday 27 May 2026, more than 60 Spence Club members and friends gathered at the Gallery Bar on Waymouth Street for a sold-out evening of powerful connection and inspiring conversation.

Our panel featured three extraordinary women: Chelsey Potter, Kimberly Goh and Marissa Schulze, who shared what it means to advocate for yourself and others, to step forward when it would be easier to stay silent, and to forge new paths without a clear roadmap.

Chelsey Potter spoke about courage, resilience and using your voice to create systemic change. Her reflections on speaking out against sexual harassment in Australian political workplaces highlighted both the personal cost of advocacy and the impact brave individuals can have in creating safer futures for others.

Kimberly Goh shared her journey from arriving in Australia as an international student to founding Adelaide's Migrant Women Professional Network, which has connected more than 1,000 women from over 50 countries - a reminder that belonging is something we actively build for ourselves and others.

Marissa Schulze reflected on her career path to becoming one of Australia's most respected voices in mortgage and finance, reinforcing the importance of backing yourself early, thinking long term and refusing to be underestimated.

In addition to donating event profits to Catherine House, attendees contributed gently-used professional clothing to Dress for Success SA. Chelsey Potter donated the blouse she wore during the 2022 parliamentary acknowledgement and apology following the release of the *Set the Standard* report.

The gesture captured the spirit of the evening: women supporting women, and meaningful change beginning with acts of courage both large and small. Overall, the night was a reminder that advocacy, ambition and community remain powerful forces for change.

Member-only events in 2025-26

July & December 2025, March 2026, Adelaide CBD

Alongside our major events, Spence Club continued to offer accessible, members-only networking opportunities throughout FY2025-26 - three relaxed, informal evenings held in some of Adelaide's loveliest venues, with delicious food included in every ticket price.

We kicked off the year on Tuesday 1 July 2025 at The Stag Public House, gathering in the cosy, character-filled surrounds of the East End for a casual catch-up over drinks and nibbles.

On Tuesday 2 December 2025, members gathered at Ambra Spirits Distillery in Thebarton for an evening of celebration, connection and reflection, with plenty of sunshine-in-a-glass Limoncello Spritz (donated by Ambra!) and canapés. Members paused to share the moments that shaped 2025 and look ahead to 2026, and welcomed new faces to the fold.

We closed out our minor events program on Tuesday 31 March 2026 at East End Cellars, a stylish city wine venue, for another relaxed evening of networking and light bites amid its rustic timber-and-brick surrounds.

Each of these events reflects what Spence Club does best - creating warm, welcoming spaces for members to connect meaningfully, without the more formal structures of our larger events.

THANK YOU TO OUR MEMBERS

To every member who showed up, engaged and brought their energy to Spence Club this year, thank you.

Earlier this year, we asked you to share your thoughts, experiences and ideas through our first annual member survey, and thank you to everyone who took the time to respond. We know it was a detailed survey, and we're grateful for the honesty and care you brought to it.

Your feedback was presented to the Board at our mid year Planning Day, giving us a clearer picture of who our members are, what you value about being part of Spence Club, and what you'd like to see from us in the future. It's already helping shape our short term priorities and our longer term thinking, and we look forward to sharing more about where we're heading at this year's AGM. To all our members, this is your Club, and your voice matters.

We were thrilled to welcome a terrific number of new faces into the Spence Club community in FY2025–26, and it's this growing network of ambitious, generous women that makes everything we do possible.

Looking ahead to FY2026–27, the Board is committed to building on this momentum, delivering a program of events and activities that continues to be relevant, motivational and innovative, and that reflects the depth of talent and leadership across South Australia.

If you have any questions or feedback about the Club, your membership or our events, we'd love to hear from you at enquiries@spenceclub.com.au.

CONNECTING OUR MEMBERS

A great benefit of joining Spence Club is gaining access to our supportive community of like-minded women. There's no better place to join the conversation and get the latest news than via our LinkedIn and Instagram platforms.

Our exclusive members-only LinkedIn group continues to grow as a forum where members can connect, interact and support each other. We encourage you to use this resource to share your successes, ask for help and keep up to date.

Paid members are encouraged to search "Spence Club Member Community" on LinkedIn to join, or simply scan the QR code above.

INTERESTED IN BECOMING A SPONSOR?

Is your organisation interested in becoming a Spence Club sponsor or partner?

Spence Club has a range of sponsorship and partnership options available for your consideration, and welcomes enquiries and expressions of interest from:

- Financial sponsors and partners
- Event sponsors
- Wine sponsors
- Gift sponsors and partners
- Branding and marketing sponsors and partners
- Scholarship sponsors and partners.

Our reach is broad, and our audience engagement is high. We have a network of highly involved members who attend in-person events and connect online.

Our network includes:

- Members – 120+
- LinkedIn – 2,050+
- Instagram – 1,140+
- Subscribers – 870+
- Events – 3-4x major per year, 3-4 minor per year

Or, if you would like to contribute in a way that's not listed, get in touch!
Contact us through enquiries@spenceclub.com.au
