Kasarmikatu 21

KASARMIKATU 21

Kasarmikatu 21 is unique in Helsinki's prime Central Business District, a new and purpose-built property offering high status, flexible office space and quality services.

The property has been constructed using high quality and durable natural materials, together with the latest building service technology.

Constructed in 2017, the property has 16000 m² of leasable office space and seven + two floors.

BREEAM[®]

SUSTAINABILITY CERTIFIED

Kasarmikatu21 has been awarded the highest platinum level **LEED environmental certificate** (Leadership in Energy and Environmental Design).

The LEED certification of properties is based on an assessment by an independent party of the environmental properties of the premises, building or construction project. The building must meet certain requirements related to, for example, the sustainability of the location and the consumption of energy, water and materials throughout its life cycle. (Source: Green Building Council Finland)

The property's operations have also been awarded the prestigious **BREEAM certification** at the Excellent level.

BREEAM (Building Research Establishment Environmental Assessment Method) is the world's leading environmental rating system, assessing the environmental impacts and sustainability of buildings. The ratings indicate how well certified buildings meet principles of environmental friendliness and sustainable development.

Kasarmikatu 21

LOCATION

A few steps away from the sea and Helsinki landmarks like the Esplanade Park and Presidential Palace, Kasarmikatu 21 stands boldly at the corner of one of the city's oldest squares. Kasarmitori is surrounded by protected government buildings, exclusive residential properties and premium office space. Despite its modernity Kasarmikatu 21's stylish, elegant design fits in perfectly with its historic neighbours.

AT THE CENTER OF EVERYTHING

From Kasarmikatu 21 everything that Helsinki City Center has to offer is within a couple of hundred meters.

The property sits both in the Central Business District, populated by the offices of international corporations, legal and financial services companies, embassies and Government Ministries, as well as in the internationally renowned Design District, with its art fashion and design outlets.

A wide range of restaurant and shopping opportunities can be found in the square and surrounding streets. The railway station is a few minutes' walk away, a taxi stand sits on the street outside and bus and tram stops are nearby.

EVERYTHING WITHIN WALKING DISTANCE

INTERIOR

Kasarmikatu 21 has been constructed using the highest quality natural materials.
