1. 2026 CONDITIONS OF USE:

- All AAP Holders are to provide a valid credit card. All credit cards are stored electronically in our Moneris Vault for maximum security.
- At time of booking, payment is not required. We will, however, process your green fee to your credit card on file 24 hrs prior to your tee time. A receipt will be emailed to you once payment has been completed.
- At time of booking, if the AAP Holder books a cart, payment for the cart will not be processed until the AAP Holder checks in at the Pro Shop and requests a cart key. It is only then that the cart will be charged to the account of the AAP Holder.
- AAP Holders must check-in with the Proshop prior to each round.
- AAP Holders can enjoy 14-day advance booking when booking online.
- AAP Holders playing in our Monday, Tuesday or Thursday evening leagues have the option of having their weekly league fees put on their AAP account.
- Not valid on holidays (Friday, April 3; Monday, May 18; Wednesday, July 1; Monday, Aug 3; Monday, Sept 7; Monday, Oct 12, 2026).
- The AAP is non-transferable.

2. NOTE FOR 2026:

- All AAP Holders must have their picture taken in the Pro Shop (if it has not already been done) to verify their status.
- Declined credit cards that are not resolved within seven (7) days may result in a \$50 administrative fee and loss of playing privileges until the account is brought into good standing.

3. GUESTS OF AAP HOLDERS:

- When guests are joining you for a round of golf, please inform them of the following policies at time of booking:
 - There are no discounts for Guests of AAP Holders
 - Prepayment is required prior to 24 hrs before time of play by calling the Pro Shop
 - Once inside 24 hours, any unpaid guests will be removed from the reserved tee-time and made available

4. CANCELLATION POLICY:

- Bear Creek recognizes cancellations are going to take place throughout the golf season for a variety of reasons. The following cancellation policy will be in effect for the 2026 golf season:
 - Cancellation 1 day prior to tee time will result in a credit being applied to your electronic profile (the value of the green fee booked – 9 or 18)
 - On your next booking, the amount of your credit will automatically be applied.
