

079 JUTTA  
Will you be on a special mission?

080 YOUNG ELIZABETH  
I don't want to play.

081 JUTTA  
(acting it out)  
Or chased by a bear in the forest?  
What would you do?

JUTTA chases Elizabeth.

082 YOUNG ELIZABETH  
(squeals with delight)  
I would take off my shoes to run  
faster. And maybe these sleeves  
could distract the bear with their  
sparkles!

They play out the BEAR CHASING GAME with giggles and  
laughter.

8 EXT. SÁROSPATAK CASTLE OF HUNGARY - DAY

083 COUNT WALTHER  
The feast was quite lovely, your  
Highnesses...thank you. Now, we'd  
better be on our way.

**START >>>** 084 KING ANDREW  
Count Walther, I will rely on you  
to protect my Elizabeth in  
Thuringia. Promise me, as a  
Christian knight, that you will  
always guard my little child.

085 COUNT WALTHER  
On my honor, King Andrew. I will  
protect her as if she were my own.

086 KING ANDREW  
We will send ample supplies and  
luxuries for our daughter to ensure  
she's no burden.

087 GERTRUDE  
And she'll be accompanied by her  
lady-in-waiting, Jutta.

ELIZABETH AND JUTTA ENTER.

088 KING ANDREW

Ah. Here's my girl now.

089 YOUNG ELIZABETH

Must I go, Papa?

090 KING ANDREW

When God calls us to a mission, do we drag our feet? Be open to the new adventure that awaits you, my daughter. And hold Hungary tight in your heart.
